BUSINESS Frank Anders of Vancouver At Luncheon Wednesday

IMPROVED

and employment conditions in vardescribed by Frank C. Anders of ROAD WORK ious parts of British Columbia were Vancouver in a cheerful ta.k before the Prince Rupert Gyro Club at its regular weekly luncheon yesterday with Dr. R. G. Large, president, in the chair. Greatly increased activity in the logging and lumbering industries, attempts of foreign agitators to tie up which with strikes had failed, was leading the way back to prosperity for the province, Mr. Anders declared.

two or three good seasons and this of the Skeena River highway was expected to be the best yet. from its present ending a mile New marketing regulations, result- beyond Cloyah Bay towards Taying in better prices, were contribut- lor Lake, a distance of about a ing greatly to the improvement. mile and a quarter, the present Centering in the Bridge River and Cariboo gold districts, the mining industry was on the up-grade.

Wages generally were increasing Mr. Anders said, and, with few exceptions, concerns which had cut wages during the depression had clearing, grubbing and grading. restored the cuts.

Speaking of unemployment, Mr. Anders declared that, even in the New Chemical so-called "good old days," there had been soup kitchens and relief lines. There probably always would Liberals Are Still Losing Ground be unemployables. This was a problem which governments apparently Product of Alberta Professors Rerealized now would always have to be faced.
