PREVENT DANGERS OF CONSTIPATION*

"Bulk" in ALL-BRAN Is Gentle in Action

Common constipation is largely due to insufficient "bulk" in meals. You fail to get your internal exercise. Millions of people have found that Kellogg's ALL-BRAN supplies soft "bulk" with satisfactory

Tests in nutrition laboratories demonstrate that the "bulk" in ALL-BRAN can be used with the utmost confidence. Naturally, those few individuals with diseased or highly sensitive intestines should not take "bulk" in any form-either in leafy vegetables or in bran.

Unlike cathartics, ALL-BRAN is natural in its action - nor does this food lose its effectiveness with continued use. Within the body, it absorbs moisture and cleanses the intestines, promoting normal and healthful elimination.

Two tablespoonfuls of this delicious cereal, served with milk or cream, are usually sufficient. Enjoy it also in cooked dishes.

Help your family keep well. Serve ALL-BRAN regularly for regularity. Sold by all grocers. Made by Kellogg in London, Ontario.

*Constipation due to insufficient "bulk"

\$3.00

One of the features of the serrice was the assistance given by the lay readers—Samuel McKay of Greenville. James Stewart of Kincolith and Matthew Shaw and William Ridley of Kitkatla.

The head of the whole celebration was Chief Gamble who was much in evidence everywhere with genial and capable manner, seeing hat everything went smoothly.

The visitors had braved exceedingly stormy weather to attend the consecration ceremonies and some had come long distances. All felt, however, after the celebration was over, that it had been well worthwhile. They were loud in their praises of the splendid hospitality
