Tonight's train, due from the East at 10:20, was reported this morning to be on time.

)oYou Ever

Whether the "Pain" Remedy You Use is SAFE?

Ask Your Doctor and Find Out

Don't Entrust Your Own or Your Family's Well - Being to Unknown Preparations

THE person to ask whether the 1 preparation you or your family are taking for the relief of headaches s SAFE to use regularly is your family doctor. Ask him particularly about "ASPIRIN."

He will tell you that before the discovery of "Aspirin" most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick,

Scientists rate "Aspirin" among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this.

"Aspirin" Tablets are made in Canada. "Aspirin" is the registered trade-mark of the Bayer Company, Limited. Look for the name Bayer in the form of a cross on every tablet.

He and Mrs. Lindsay will leave Terrace on next Monday night's train for Chicago where they will spend a time before proceeding to the Old Country.

The Prince Rupert General Hospital is still fairly busy these days. Miss Jean Harrison R.N., lady superintendent, reported at the regular monthly meeting of the board last night. During the past month there was an average of over fifty patients in the institution. Miss Harrison stated that Registered Nurses' examinations had just been held and mentioned the recent graduation exercises.
