HINDENBURG LANDS AT LAKEHURST

CANZONERI EASILY DECISIONS McLARNIN

New Speed Record For Lighter-Than-Air Set By Great German Ship

Spanned Atlantic in Sixty-One Hours and Fifty-Three Minutes With Average of Seventy-One and Three-Tenth Miles Per Hour For Whole Trip

LAKEHURST, N.J., May 9: (CP)—The Hindenburg, newest and largest of the Zeppelins, completed her first flight across the North Atlantic Ocean today in record time for a lighter-than-air craft. The giant ship moored at the naval base here at 6:23 this morning (Eastern Daylight Time), sixty-one hours and fifty-three minutes after she had left her home port of Friedrichshafen. She carried fifty-one passengers and a crew of fifty-six.

PASSES IN HIS SLEEP

Louis Gosnell, Aged 83, Died Yesterday at Home of Daughter, Mrs. Fanny White

Louis Gosnell, for many years a well known resident of Port Simpson where for a long time he conducted a store, one time operator of old Alexander cannery on the Skeena River, and an early Methodist Church missionary among the natives of Port Simpson as well as in Southeastern Alaska, is dead here at the age of 83 years. He succumbed some time during the night before last in his bed at the home of his daughter, Mrs. Fanny White, 815 Fraser Street, with whom he had made his home here for fifteen years. He had not been feeling well for some time and, shortly before noon yesterday, when members of the family went to rouse him, it was found that he had died.

Work on Park Is Proceeding

Eight Totem Poles to be Erected On Fraser Street—Mr. Prudhomme Co-operates

The totem pole erected this week on the top of the hill in the police gardens overlooking the City Hall will be the last to be placed there, it being the third that has been put up in the police gardens. The remaining eight poles from the Queen Charlotte Islands will go in the new Central Park on Fraser Street which is now in process of preparation.

Ex-Ald. A. J. Prudhomme showed his co-operation with the city in the Fraser Street park project by having removed his small garage which stood at what has been made the eastern entrance of the new park. The garage has now been placed in the lane to the rear of the Savoy Hotel.

Indian Agent James Gillett, late of Massett, speaking of the poles here, says they constitute one of the most outstanding collections in the country.

New Hospital Is Being Discussed

Conference With Medical Officer Of Indian Department Reported Upon to Board

S. D. Macdonald reported to the hospital board last night on a recent conference with Dr. A. L. McQuarrie, medical officer of the Department of Indian Affairs for British Columbia, in regard to the new hospital project here. The conference with Dr. McQuarrie had been held by the special committee on the new hospital, consisting of Mr. Macdonald, W. M. Brown and Dr. J. H. Carson and Indian Agent W. E. Collison and Dr. J. P. Cade had also been present. While Dr. McQuarrie had been unable to give any definite assurances, he, however, had appeared to be quite sympathetic to the project.

Funeral Notice

The funeral of the late Louis Gosnell will take place from Hayner Bros. Chapel Sunday afternoon at 2:30.

Vancouver Wheat

VANCOUVER, May 9 (Canadian Press)—Wheat was quoted at 76½¢ on the Vancouver Exchange today.

After Weathering Hard First Round Attack, It Was Easy Win For Tony

Vancouver Boy Only Able to Take Three Rounds and Was All But Out on His Feet in Ninth and Tenth Rounds

NEW YORK, May 9: (CP)—Tony Canzoneri, lightweight champion, won an easy ten round decision from Jimmy McLarnin of Vancouver, former world's welterweight champion, in a non-title bout at Madison Square Garden last night. McLarnin won the first, fourth and eighth rounds, Canzoneri taking the other seven. McLarnin almost won the fight with a terrific opening barrage in the first round. Nearly knocked out, Canzoneri, however, survived the withering attack and made a stirring comeback. Having succeeded in weathering through that assault, he then took complete command. McLarnin was knocked to one knee without a count in the second round and was almost out on his feet in the ninth and tenth. Canzoneri obviously sensed the possibility of a kill in the last round but he was too tired himself to finish his opponent.

Assize Cases To Be Transferred

Some of Actions Will be Heard at Smithers Including Those Emanating in Bulkley Valley

Civil cases emanating in the Bulkley Valley and listed for hearing at the forthcoming session of the Supreme Court Assizes at Prince Rupert may be transferred to Smithers for hearing, it is understood. Criminal cases, however, will be heard in Prince Rupert as there is not sufficient accommodation in the court room at Smithers to handle jury trials. The Assize Court opens here next week with Mr. Justice D. A. McDonald as presiding judge.

Arrangements For Payment of Grants

Difficulties in Regard to Collecting For Patients Outside Province Being Ironed Out

Arrangements are being made between the provinces whereby hospitals in future will be assured of receiving their per diem grant from the provincial government covering patients coming from other provinces. In the past there had been some difficulty in regard to this. The plan now is that the provinces shall collect one from the other in the matter of such grants.

This came up at last night's hospital board meeting in connection with notice of new legislation in respect to payment of government grants to hospitals. In connection with such aid, there were certain new requirements of hospitals in regard to bookkeeping and administration.

The suggestion was raised in discussion that followed that some arrangements might be made for care of indigents who did not actually require hospital treatment.

Halibut Arrivals

Summary Canadian—34,000 pounds, 6c and 5c to 6.9c and 5.3c. American—none. Canadian Tramp, 17,000, Atlin, 6.9c and 5.3c. North Foreland, 8,500, Cold Storage, 6c and 5c. Aieye, 8,500, Booth, 6c and 5c.

LONG TERM FOR MAHAN

Sentence of Sixty Years Imprisonment Imposed Upon George Weyerhaeuser's Kidnapper

TACOMA, Wash., May 9: (CP)—William Mahan pleaded guilty today to two kidnapping counts brought in connection with the \$200,000 abduction last summer of George Weyerhaeuser, nine-year old lumber family scion. Federal Judge E. E. Cushman sentenced him to sixty years' imprisonment on each count to run concurrently.

Hospitalizing Of Indian Patients

Co-operation of Doctors Sought With View to Ensuring Per Capita Grants

Treatment of Indian patients in the Prince Rupert General Hospital came in for considerable discussion at last night's board meeting after report was made by S. D. Macdonald on a conference held with Dr. A. L. McQuarrie, medical officer of the Department of Indian Affairs from Vancouver, who is at present a visitor in this district on official business.

After some talk regarding the difficulty of collecting per capita grants from the departments covering natives in some cases, it was decided to seek the co-operation of the Prince Rupert Medical Association with a view to preventing the admission of native patients unless the admission is confirmed by the medical officer of the reserve concerned and Indian Agent W. E. Collison.

INTEREST IN MINES

Haida Gold, Cumshewa and Skidegate Sunrise Properties Are Attracting Attention

SKIDEGATE, May 9:—Col. J. B. Harstone D.S.O.B.E., Vancouver mining engineer, and Douglas B. Starrett, geologist of Washington D.C. and vice-president of the Viddette Mining Co., were here recently to visit the Haida Gold Mines. They were taken out in Capt. Jack Haan's seiner Ila and were accompanied by E. C. Stevend and his son, Edmund. From what can be gathered both Col. Harstone and Mr. Starrett were impressed with the large showing of the Haida gold and the quantity of free gold that is available in the two large tunnels. It is rumored that Haida Gold may be reopened on a fairly good scale in the near future.

Walter Hoover, mining engineer of San Francisco, who has taken over the Cumshewa mines, plans to re-open this mine and start shipping ore at once. This property's values run in gold and silver. There are particularly high values in gold with a fair silver content.

It is reported that splendid progress is being made in the Skidegate Sunrise gold mine and that good assays of gold have been taken in the lower levels.

CONTEST IS RULED OUT

Sale of Vancouver Jubilee Tickets Has Been Banned in Edmonton

EDMONTON, May 9 (Canadian Press)—Sale of Vancouver Jubilee Queen Contest tickets has been prohibited in Edmonton as a violation of the Criminal Code in connection with lotteries, Police Chief A. G. Shute said last night.

Not Prize Drawing

VANCOUVER, May 9 (Canadian Press)—J. K. Matheson, managing director of the Jubilee committee says that the Queen Contest is merely of a competitive nature with no prize drawing. All prizes are awarded on handwriting characteristics.

House Committee Reports to Board On Many Matters

The house committee, of which G. V. Wilkinson is chairman, had a number of matters before the hospital board at its meeting last night.

It was reported that repairs had been made to the roof of the front porch by Tony Christian. Payment of an account from J. G. Steen for repairs to the operating room roof was also ordered.

Philpott & Eviit reported that they were unable to supply further slack coal as had been contracted for. It was decided to take the rest of the order in mixed washed pea and slack Island coal at \$8.50 per ton.

In regard to repairs to the elevator ordered by the factory inspector, it was decided to ask for an extension of time in view of the possibility of a new hospital being built.

At the request of Miss Jean Harrison R.N., lady superintendent, it was decided to purchase two dozen new meal covers which are badly needed, the old ones being in bad shape. S. D. Macdonald insisted that local dealers be given a chance in supplying these dishes and it was so ordered by the board.

A recommendation of the committee that a large kitchen mixer, the original price of which was \$210 but which could be obtained for \$75 from the Northern British Columbia Power Co., be purchased was adopted.

The house committee informed the board that it would be necessary soon to purchase new blinds for the Nurses' Home and new tea and coffee serving pots. The hospital chimneys would also have to be swept soon.

AMATEUR AND PRO MOVIES SHOWN TO STUDENTS FRIDAY

Amateur movies taken by Roth Jordan of the activities of the King Edward High School Dramatic Club were shown yesterday afternoon. Every member of the casts of recently presented plays saw himself or herself in action. Skating scenes taken during the first week in April at Morse Creek proved highly amusing as the ice was somewhat thin and slushy. Professionally made films of "Wild Men and Beasts of Borneo," loaned by Nick Killas, were also shown and were much enjoyed. Projection was in charge of Vivian Wrathall.

Flowers on Mother's Day

MONTREAL, May 9 — Mother's Day, which falls on Sunday, will be marked by thousands of orders of flowers being delivered in loving remembrance throughout the world. Both the Canadian National and Canadian Pacific telegraphs are making special arrangements to handle the heavy telegraph and cable traffic for the delivery of flowers all over the continent and the globe wherever members of the Florists Telegraph Delivery Association are situated and arrangements may be made by the sender for their speedy delivery at any time of the day.

According to the officers of the telegraph companies, roses again are the most favored of the floral gifts but carnations and other flowers are also growing in popularity. To those who wish to mark the occasion by a telegraph greeting, the telegraph companies have appropriate telegraph blanks and envelopes which will be delivered by uniformed messengers. Judging from the numerous inquiries made of telegraph agents Mothers' Day will set a new record for both floral and telegraphic remembrances.

Hospital Deficit

The Prince Rupert General Hospital operated at a deficit of \$230.11 during the month of April, it was reported to the board at its meeting last night, by G. P. Tinker, chairman of the finance committee. Disbursements for the month were \$4,032.72. There were 1549 hospital days at a cost per hospital day of \$2.60.

Amy is Trying For New Record

HOPEWELL, May 9 (Canadian Press)—Amy Johnson Mollison said today that she planned to take off tomorrow in an effort to set a new record for the Capetown-London flight. This week she made a new mark for the London to Capetown flight.

LOCAL NURSE MAKES GOOD IN HER EXAMS; SECOND IN PROVINCE

Miss Ruth Corbould, one of this year's graduates from the Prince Rupert General Hospital training school for nurses, who took their exercises this week, came second in the province in Registered Nurses' examinations, results of which have just been announced. Other members of this year's graduation class in the persons of Misses Elizabeth Haan, Sybil Hellawell, Lois Studdy and Clara Stegavig were also successful in their tests. The only student in the province to excel Miss Corbould was Miss H. S. Porritt of Royal Jubilee Hospital in Victoria. There were 103 candidates in all.
