## "The Man Who Fell From Heaven"

Indian Legend Read to Rotary Club at Its Meeting This Afternoon in Place of Usual Address

Instead of hearing an address from some visiting speaker, members of the Rotary Club today listened to the reading by H. F. Pullen the legend of "The Man Who Fell From Heaven," written by Mrs. J. B. Gibson. This is one of a collection of legends which Mrs. Gibson wrote some years ago and which her friends are persuading her to publish in book form. A summary

ing, so the young man knew it of the legend follows: In Metlakatla Passage there is must have been a spirit that spoke. an island adjoining Wearmouth's He returned and told the chief. Island on the shore of which is a rock showing a depression exactly A search party was formed and the size of a human body where it about two miles from Metlakatla is alleged that an Indian Medicine they found important evidence of Man, who had visited heaven, fell the return of their huldowget. again to the earth, making the de- There was an impression in the pression in the rock where he rock just the size of Lthan and
