Pictures of News Events and Personalities

The Duke of York, brother of King Edward VIII, shown as he inspected Guards at Aldershot shortly before the regiment sailed for Palestine. Owing to the campaign of terrorism waged by Arabs in the Holy Land, the Scottish regiment was embarked for service there. They will aid in enforcing martial law which has been declared by British authorities.

Veteran British labor leader George Lansbury, who still holds a seat in Parliament, and Mrs. Dorothy Thurtle, his daughter, will both act as coronation mayors next year when King Edward VIII is crowned.

ded by King Edward (says her press agent).

Members of the staff of a large London banking house are shown here being trained in use of gas masks by St. John Ambulance Brigade. The entire staff carried out the drill.

Flight-Lieut. M. J. Adams, attached to the experimental branch of the Royal Air Force, has been assigned by the British air ministry to make altitude flight experiments. Lieut. Adams recently set a new altitude record of 50,000.

In the Bellanca monoplane in which he made a solo flight from ! York to London, Jim Mollison, famous British aviator, and Doro Ward, English actress, are pictured after the latter had christened machine "The Dorothy." Shortly after the picture was made, Moll was to fly the actress to a stage engagement at Edinburgh, Scotland may later fly to Cape Town to make delivery of the aircraft to a bu

DIES IN FRISCO

F. A. MacCallum, manager of the Bank of Montreal, received a telegram telling him of the death of Mrs. F. G. Woods of San Francisco, mother of M. G. Woods, a member of the Bank of Montreal staff in this city. Mr. Woods will be leaving tomorrow on the Catala to attend his mother's funeral. His father was for years manager of the Bank of Montreal in Montreal and is now manager of the San Francisco branch.
