### THAT RAYON SCARE

Recently we commented on the shutting down and opening again of a rayon mill at Sherbrooke. Since that more information has come to hand which Prince Rupert people should know about, especially in view of the fact that it was thought the rayon situation might affect a proposed local industry.

Prior to the recent arrangement with Japan, the local rayon product was protected against Japan to the extent of 176% and when the present government reduced this to 148% there was a strong protest from the Dominion Textile Company and as a protest the Sherbrooke plant was closed for five days. Yet in the years 1930-1934 the company distributed dividends to its shareholders amounting to \$7,091,000.

As a result of the cutting down on importations from Japan, that country cut in half its purchases of wheat from Canada bringing it down to four million bushels from eight million. This means that so many Canadian farmers are robbed of a market for their wheat. It also means that British Columbia is robbed of its market for its timber products, the total being much greater than the advantage to the country from the operation at a very low wage rate of the Sherbrooke plant.

If British Columbia is to sell her forest products and the prairie farmers their wheat to Japan, Canada must buy a certain amount of Japanese goods. What has been happening was that the west has been robbed of a large part of its market in order that the east might benefit, the benefit to Canada from a high tariff being less than the advantage from a lower tariff with greater foreign trade.

Naturally Prince Rupert, as a port with great possibilities, is interested in trade with the Orient. We may not get much of it but as long as it is going on there is a chance that we may be able to get at least a little. If there is no trade, it is sure we can never become a port.

Evidently there is a sufficient protection on rayon to insure its continuous operation in this country as long as there is money among the people to buy the product. If the rayon manufacturers cannot operate with a protection of 148% it should go out of business.

## Ski Carnival at Smithers Is Successful Despite Weather; Winners in Various Contests

SMITHERS, Feb. 10.—Having the misfortune to run into one of the worst winter storms in the history of the Bulkley Valley, the Smithers Ski Club was forced to abandon the ski jump scheduled to take place on the big hill near town Friday afternoon. With the temperature 20 degrees below zero and, with what almost amounted to a gale of wind from the south blowing all day, it was still hoped at noon that the jump would take place but about noon it started to snow quite heavily and the combination of frost, wind and snow was too much for both jumpers and spectators and the jump had to be postponed.

On Wednesday afternoon, the first day of the carnival, a great many people journeyed to the club house and grounds of the Ski Club north of town to witness the slalom races and the races for children which were held on that day. The district was already in the grip of the storm king and there was a strong wind blowing with sub-zero temperatures at the time but these races were greatly enjoyed by all as it was the first time that the slalom race had been seen at Smithers.

Chris Dahlie of Smithers captured the first prize in the slalom.

On Thursday the weather was still cold but with very little wind and the races for Class A and Class B in the men's cross country race and the ladies' five-mile race were run under favorable circumstances.

Kaare Engstad of Burns Lake, who broke an ankle last year in the ski jump here, was the first man away and, after getting most of the way around the course and making good time, he had the misfortune to break the same ankle in the same place again and was put out of all the sports for the rest of the tournament.

Chris Elvenes of Prince George won the 10-mile race with Kursula of Francois Lake second.

Mrs. Persson of Smithers and Marjorie Furness of Smithers were first and second in the ladies' race. Mr. Rush of Burns Lake won first place in the Class B race.

The regular dance which marks the grand finale to all ski tournaments was held in the Smithers hall on Friday evening and proved to be one of the largest and most enjoyable dances held here in a long time, despite the intense cold and unfavorable weather conditions.

Gazeley's eight-piece orchestra excelled itself in the fine music that was provided throughout the evening.

### Miss Hanson Is Queen

At midnight the counting of votes for the carnival queen showed that Miss Gerda Hanson had won out over Miss Orleana Mutch by a narrow margin and the ceremony of crowning the new queen took place when the queen, with her two ladies in waiting and, with six small trainbearers, entered the hall and proceeded down the centre through the crowds which lined both sides of the hall.

After the queen had been officially crowned she distributed the prizes to the winning contestants amid the great applause of those present.

In the drawing for the \$15 prize Jack Wallace of Smithers proved to be the lucky ticket holder and he was present to claim it.

### Postponed Jumping

At 11 o'clock Saturday morning the jumping on the big hill took place under ideal weather and hill conditions. Henry Sotvedt of Wells, B.C., made the longest jump with 141 feet. Chris Dahlie of Smithers came second with 133 feet and Johnny Holst of Prince George was third with 121 feet. Chris Elvenes, who had won the race quite handsily and carried a good advantage with him for the combined championship of Smithers into the jumping contest, was unfortunate enough to fall in both jumps.

An exhibition jump on the big hill by two young Smithers boys was of great interest to local people when Fuigi Aida jumped 98 feet and Steen Olofson jumped 96 feet. The carnival was a success in every way excepting from a weather standpoint.

## Canadian Legion Billiard Tourney

The third Canadian Legion billiard handicap is drawing to a close with Neil Cameron one of the finalists. The other semi-finalist has not been decided yet.

The feature of the games so far has been the play of Malcolm Lamb. Drawn against Percy Tinker, winner of two handicaps, Lamb won by a comfortable margin. He then had to meet Cameron and again put up a fine game. It was anybody's game with Lamb 141 and Cameron 139, but Cameron managed to finish up with a break that just enabled him to eke out a win.

## SPORT CHAT

The Prince Rupert Basketball Association has just about made final arrangements to bring down a New Metlakatla, Alaska, team to play here on February 27 and 28. This will be Metlakatla's second visit here but they have not been down for a considerable time although they have played in Port Simpson. Port Simpson may be brought over here at the same time to play New Metlakatla. Fans will be treated to some real basketball as these Alaskans take their hooping the hard way.

Tonight's league fixtures will bring the Junior Moose and Boy Scouts together. At the present time the Boy Scouts are in cellar position with the Scythians but will be in there trying to win and the Junior Lodge men will also be fighting to keep up with the Students, who are on top. The Ladies' league-leading Grottoes will take on Annette's who are at the bottom of the heap. Canadian Legion and High School will battle it out in the Intermediate League and the Vets will be fighting to keep pace with the Scythians who are the leaders of the parade. Lambie and Stone will fight it out with the Moose and, if the Clothiers win, it will give them a better lead while the Moose want a win to make it a deadlock with the Clothiers.

## WHIFFLETS

From the Waterfront

On her regular fortnightly voyage to Alaska, C. P. R. steamer Princess Norah, Capt. William Palmer, was here from 9 o'clock to 10:30 yesterday morning bound from Vancouver to Skagway. The vessel had 42 passengers on board of whom three disembarked here while two boarded the ship at this port for Alaska.

Union steamer Catala, Capt. James Findlay, arrived in port at 6 o'clock last evening from the south and sailed at 8 p.m. for Stewart, Anyox and other northern points whence she will return here Tuesday morning and sail at 1:30 p.m. for Vancouver and waypoints.

Capt. W. W. Mounce, regular pilot of the steamer Catala, is expected to be back on the run within the next two or three weeks following his annual vacation during which he underwent an operation in Vancouver from which he is now pretty well recovered.

Miss Alice McKechnie of Vancouver was a passenger aboard the Princess Norah yesterday morning going north to spend the next couple of months visiting at Atlin.

## STILL IN DEADLOCK

Maple Leafs Beat Americans And Maroons Win Over Canadiens

TORONTO, Feb. 10.—Toronto Maple Leafs and Montreal Maroons remained in a tie for the leadership of the International section of the National Hockey League as a result of victories on Saturday night. The Maple Leafs, showing a fine return to normal form following their recent slump, scored a fast three to nil victory over the New York Americans at the Maple Leaf Gardens in Toronto while the Maroons had a field day in defeating their fellow townsmen, the Canadiens, at Montreal 7 to 2.

The Maple Leafs were without the services of two of their star players, "Busher" Jackson and "Red" Horner, but even that could not stop them. The great Charlie Conacher was back in his customary form and was responsible for two of the Maple Leaf goals, the first on a penalty in the first period, and the second in the third, after about five minutes of play, when he and King Clancy dashed suddenly away to slam in one of those typical lightning-like goals. The other Toronto goal was scored by Andy Blair, his second so far this season, in the course of a four man drive forty-five seconds before the end of the first period. The game was replete with action and George Hainsworth deserved the shutout victory for his fine handling of numerous lightning-like close in shots with which he was assailed as the Americans played every man forward during the second and third periods in a vain attempt to score. King Clancy was suffering from a "Charlie Horse" yet he was one of the stars for the Maple Leafs. Early in the first period the game was held up for ten minutes when Referee Mike Lawson was injured on being crowded against the boards by "Red Dutton. After the delay, Lawson, carried on but did not return to the ice after the start of the second period, Referee Hack Smith, the second adjudicator, continuing to officiate alone for the remainder of the game.

In the Maroons-Canadiens game the score at the end of the first period was 3 to 1. There was no scoring in the second period but the Maroons made four counters to the Canadiens' one in the third to end up on the long end of the 7 to 2 count.

Sunday's Games

Both New York teams were victorious in last night's games in the National Hockey League. The Americans, playing at Chicago, had an easy 4 to 1 win over the Black Hawks while the Rangers blanked the Boston Bruins 2 to nil at New York. The results involved no changes in the American section standing which is very close. The league standings to date:

American Section		W.	D.	L.	F.	P.
Detroit	15	7	9	72	60	37
Chicago	16	3	13	58	53	35
Rangers	14	6	14	63	71	34
Boston	15	3	14	55	50	33
International Section		W.	D.	L.	F.	P.
Montreal	14	5	12	66	64	33
Toronto	15	3	14	87	78	33
Americans	12	4	17	71	75	28
Canadiens	9	7	17	62	73	25
