NO INTERFERENCE

Britain will not allow either side in the Spanish domestic quarrel to interfere with British shipping on the high seas. The inference in that anyone doing so will be punished.

Britain is doing her best to prevent the Spanish civil war from spreading into an international free-for-all and to do that it is necessary to police the seas and no country is better able to do that than she.

ABERHART GOES AHEAD

Premier Aberhart of Alberta is proceeding steadily and systematically with his plan to establish the social credit |. system in that province and the Ottawa administration is Baseball Standings taking no steps to interfere.

It is now beginning to dawn upon some people that there is a possibility the system may succeed and that the people of that province will yet get their dividends. While most people think the scheme is preposterous and impossible, there have been cases in the past where the seeming impossible has been achieved. At any rate it is an interesting experiment and the whole western world is still keeping an eye on the stout little man who mixes politics and religion and defies the world in what may yet prove to be a constructive movement.

McGEER'S COMEBACK

Mayor McGeer of Vancouver was elected to the Legislature at Victoria by a very large majority. Later he resigned and contested a Vancouver seat for the Federa Parliament and came very close to being defeated. His stock had gone down. Since his engineering of the big Jubilee celebration at Vancouver he has become much more popular and today, according to report, he could be Old Country Soccer vertisement for best results. elected to almost any position he might ask. Incidentally it may be mentioned that he is backing the Liberal candidate in Burrard at the by-election.

for your money

THE value you get when you buy Kellogg's Corn Flakes is more than simply a big package of cereal at a low price. It's quality — the matchless flavor and oven-fresh crispness that can't be equaled. Ask your grocer for Kellogg's by name, and get most for your money.

200000 POUNDS TOTAL CERTIFIED WEIGHT SAFE DRIVING BOAD TEST & THEEK ECONOMY BUN

• Hauling 20,000 pounds certified gross weight 1246 miles from Windsor, Ont., to Moncton, N.B., this big Chevrolet-Maple Leaf 2½-ton truck recently established a Canadian record for Economy, Safety and Stamina. The long, hard test was made under typical road and weather conditions. The total operating cost amounted to \$27.68, or one-third of a cent per ton mile!

For operators handling 5- to 7-ton payloads, this Chevrolet-Maple Leaf model equipped with Truxmore third axle provides a combination which, by slashing expenses, materially adds to your profits. As a result of the trail-blazing experiment made under practical, workaday conditions, we have been provided with a fund of useful information. Individual and fleet owners are invited to share this with us. Can you spare a few moments to visit our showrooms today?

Prince Rupert

Here is the Chevrolet 1/2-ton truck which accompanied the Chevrolet-Maple Leaf Economy Test Truck as "Pilot Car." Carefully kept performance records of this truck indicate gasoline mileage, 19.05 miles per gallon; oil consumption, nil; water added, nil; repairs and
