Grant Hollingworth and Mr. and Mrs. T. N. LePage who are leaving the city. While losing three members, the club has gained three for another feature of last night's proceedings was the initiation of Orme Stuart, W. F. Stone and G. L. Rorie into membership.

Beautiful farewell presentations were made to the three departing members by Dr. R. G. PAINS ALL OVER HIS BODY

Kruschen Made Him Feel a New Man

Read the experience of this man who had rheumatism so badly that at times he was prevented from working:

"About 10 months ago," he writes, "I suffered terribly with rheumatism and neuritis. The pains were all over my body and some days I could not even get up from bed to go to work. A friend visited me and suggested that I should try Kruschen Salts. I did so, the result being that the pains seemed to gradually disappear. I have been going to work ever since without a break, thanks to Kruschen Salts, and I feel a new man."

—A.R.
Rheumatic conditions are frequently the result of an excess of uric acid in the body. Two of the ingredients of Kruschen Salts are notable for their work in dissolving uric acid. Other ingredients assist Nature to expel the dissolved acid from the system.
