searched for and eventually loca- right in town. ted the great vein. Returning with samples they became lost and ran short of food. After many hardships ..40 Raynor died of exposure and Cum-2 mings, who buried the silver near the body, was picked up by a party of Indians.

Tried to Find It

The following spring the veteran 9.00 trader returned to take up the claim. The place where Raynor was buried with the silver was easily found but extensive search failed to uncover the mine. Subsequent efforts proved no more successful and the story of the Lost Mother Mine, concluded by many to be of legendary origin, was passed along.

William S. Piper, Thunder Bay district prospector, claimed to have
