Paper Protests Wedding Cutups

Marriages, Town Paper Suggests

PORT CREDIT, Ont., Oct. 21: (CP) -- "Unseemly demonstrations following marriage ceremonies are calculated to benefit or inanyone, especially those 'honored,' and they should be discouraged," says The News, a local paper. "We were recently informed that a young couple refused to have a church wedding because of the fear that some of their friends would 'make an exhibition of them after the ceremony,'-all in good part of course.

"Matrimony is an honorable state instituted by God, and is not undertaken unadvisedly, lightly or wantonly, but reverently, discreetly, soberly and in the fear of God.' So it is declared in the exhortation contained in the marriage service in the Book of Comas Royal Island from Red mon Prayer. Marriage is one of man Catholic Church. To be surupert.
