DRESSING-TABLE BEAUTY

SHE SPENT a lot of time and money on her face. She knew the tricks of make-up, and sought the flattery of soft lights wherever she went. But day after anxious day, she watched the growing defeat of her youth. In those frightening signs of age that women know only too well: Rebellious wrinkles that refused to be covered up. Dull eyes. A sallow skin. Why had this happened to her? So young in years, so eager for life!

Lipstick and powder are grand beauty-aids. But they were intended to assist glowing health - not to replace it. If she had only known that a poorly balanced diet, over a period of years, can affect how people both

look and feel. For instance, meals low in "bulk" may develop constipation.

Continued neglect of this condition causes discomfort, may lead to headaches, loss of appetite, listlessness. Fortunately, a delicious cereal supplies the "bulk" you need for regular

Scientific tests show that the "bulk" in Kellogg's ALL-BRAN is both safe and effective. It absorbs moisture within the body, forms a soft mass, gently cleanses the system.

Two tablespoonfuls daily are usually sufficient. Stubborn cases may require ALL-BRAN oftener. If not relieved this way, consult your doctor. You may serve ALL-BRAN as a cereal,

with milk or cream, or cook into tempting muffins, breads, waffles, etc. Isn't this natural laxative food better than taking pills and drugs?

ALL-BRAN is not a "cure-all"-but it does correct constipation due to insufficient "bulk." Guaranteed by the Kellogg Company. Sold by all grocers. Made by Kellogg in London, Ontario.

Serve ALL-BRAN regularly for regularity
