# treatment with

Give your children mustard baths ... nothing better for chills, colds and coughs! Mix one or two tablespoonsful of Colman's Mustard to a thin paste and add to a bath of steaming-bot water in a warm room. Let their little bodies soak 10 or 15 minutes. Dry them carefully, then pop them into bed and be sure they keep well tucked in. That will sweat the poisons out! Good for you, too, but you'll need 3 tablespoonsful of Colman's. Take a

mustard foot bath if more convenient.
