

eading Household Science Authorities recommend Quaker Flour and Quaker Method of Easy Baking

MISS A. J. ROE, Household Editor The Country Guide says:

"I have no hesitation in recommending Quaker Flour and the Quaker Easy Method of Baking as a system that saves time and trouble and gives excellent uniform results."

Always the Same Always the Best FOR BREAD CAKES AND PASTRY

MRS. G. RILEY

"I use the Quaker Easy Method of Baking with Quaker Flour and I not only save half the work and trouble, but I get much better results in half the time."

 And no wonder Mrs. Riley is so completely satisfied with Quaker Flour and the Quaker Easy Method of Baking. Just imagine ... no need to knead ... you don't have to set the sponge over night and it prevents failures, that are expensive and exasperating.

If you haven't written for your FREE copy of the booklet explaining all about the Quaker Easy Method of Baking, send in the coupon right away and ask your grocer today for your supply of Quaker Flour.
