Local Man Comes From Near Enesbury Where Quadruplets Were Born

The village of Enesbury, not far from St. Neots, the home village of Mr. and Mrs. Thomas Andrew of this city, is becoming famous as the birthplace of quadruplets to Mr. and Mrs. Miles of that place.

The four babies are doing well and will probably survive. They were removed soon after birth to the home of their physician, Dr. Harrison in St. Neots, where they are being cared for by trained

The mother has been the recipient of the King's bounty amounting to four pounds. Human milk is being carried to them from London by airplane or motor car, volunteers being called upon to convey it. A subscription in their behalf has been started and a considerable sum of money raised to provide that the babies get proper care. The arents were given their home rent free for a year.

Bulletins in regard to these infants have been crowding war news off the front pages of the newspapers and as much fuss is being made of them as of Canada's quintuplets.

The St. Neots Advertiser, a daily newspaper, has been received by SCHEDULE Mr. Andrew in which four columns are devoted to the progress of the quadruplets.

### Lethbridge Mourns 16 Miners Killed in Colliery Blast

Lethbridge citizens with those of Coalhurst paused recently to honor the memory of the 16 colliery workers who lost their lives in the explosion at the Coalhurst mine in the late afternoon of December 9. Undertakers were unable to supply sufficient hearses for the mass funeral, and trucks were draped and pressed into service. Hundreds of floral tokens covered the caskets as they were borne to the cemeteries. A thousand miners from this and other fields attended in a body. Ninety-six pallbearers were required. The explosion was the worst disaster in the history of the Lethbridge coal field and the worst disaster in Canada last year.
