## ROOSEVELT STRIKES AT WAR MAKERS

### United States to Do All in its Power To Prevent Belligerence

Slashing Attack Upon Nations Which Are Reverting to Sword Made by Chief Executive in Address to Congress-Teeth in Neutrality Bill

The chief executive chose his opening message to the newly convened Congress as a vehicle for striking out last night at "the rulers of many of the great populations

in Europe and Asia" who have run

counter to ways of peace and good-

will. He mentioned no names in de-
