Braves and Dodgers Unable To Five Nations Set For Bermuda To Break Six-All Draw Before Brooklyn Game Called

(CP) - ocean sailing race like never was and Boston sailed before, with schooners and Braves battled for 12 innings at ketches competing from at least Ebbetts Field yesterday but were five nations, and maybe seven or unable to break a six-all deadlock, eight, is being rigged up to supply it being necessary to call the game. a thrilling prelude to the Olympic Playing at the Polo Grounds, New Games in August. York Giants continued their winning ways, scoring a close seven to six victory over the Phillies.

In the American League, the Boston Red Sox, playing at home, scored an easy eight to one victory over the Washington Senators and moved close to the league-leading Chicago White Sox.

In the only other American League game yesterday, the New York Yankees downed the Philadelphia Athletics seven to six at Shibe Park. The Mackmen, as a result, slid into exclusive possession of cellar position.

"The Bride Comes Home," With Colbert and MacMurray, And "Ship Cafe," With Carl Brisson

Bride Comes Home," sprightly modern romance costarring Claudette Colbert and red MacMurray, and "Ship Cafe," a gay comedy drama featuring! double bill being presented on the the screen of the Capitol Theatre HAMBURG, April 22: (CP)-An here this mid-week. "The Bride Comes Home" tells

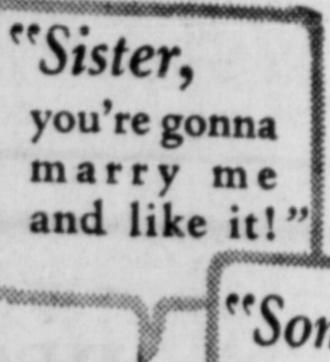

the story of the romance of a rich girl become poor with her wealthy childhood sweetheart and a new one with whom she has fallen in love during her adversity. The plot takes many novel and exciting turns and there is plenty of emoscore of racing craft to pull out tional conflict particularly between Miss Colbert the girl, and muda, on July 1 and, as the wind MacMurray, her two-fisted new bellies their canvas, strike straight sweetheart. Robert Young plays the across 3400 of mostly open water part of a good-natured wealthy playboy. William Collier sr. is Miss Colbert's father while the important bit of a marrying squire in an argumentative mood is taken by sailing races—the first was fought Edgar Kennedy.

In "Ship Cafe," Carl Brisson, former welterweight boxing champion of middle Europe and Scandinavia, is cast in the role of a fighting, singing ship's stoker. The story United States, Germany, Norway tells of his rise from coal stoker Sweden and the Free City of Dan. to bouncer in a waterfront cafe where he becomes the club's singing star. The cast inclures Arline As a matter of actual fact, the Judge, William Frawley, Mady Christians, Eddie Davis and Inez Courtney.

MOURNING FOR HUNTERS after refitting, join in the classic LONDON, April 22: (CP)—The Newport-to-Bermuda race starting King has made a special request June 23. Then they and the faster that during the period of mournand better American boats will, ing for his father all persons hunt-57 square off in the main event to ing in pink or other colored coats should wear a black band on the Germany, going into anything left arm.

129; with a burst of enthusiasm, is MINNESOTA'S HOME BREW 429 building three new racers espec-MINNEAPOLIS, April 22: (CP)-333 ially for the event and will have Minnesota's 1936 football squad 286 at least three other starters, in- which is already in practice, like cluding the Stoertebeker, which its undefeated predecessor of last ct. was in the 1935 race. Her new season, will be a home-grown pro-.800; boats are designed especially to duct, only three players coming up .750 comply with the rules of the to the "A" group of gridders who llive outside Minnesota.

· · · not if Electric Refrigeration cost dollars instead of cents!

The man of the family sees the practical side of the modern electrically controlled refrigeration. He sees the safety first value of it He sees the economy side of it, after he has regaled himself a few times on tastily concocted dishes which in reality are choice left-overs. The refrigerator keeps them so fresh that he realizes what a safe-guard against bacteria it is He thinks of his children and the necessity to safe-guard their health, and the new electric refrigerator becomes his pet hobby. Incidentally, he revels in the quiet lunches he sneaks from its contents when no one's looking. The wonder of the mechanism also interests him, for he is a believer in progress, and the modern electrically perfect refrigerator is a prime example of progress. The low rates of electricity make it so economical that he approves that side of the matter
