obtain a powerful expectorant cough mixture with an active stimulating alkalizer Medical research has conclusively shown that an acid condition almost always accompanies the common cough or cold and combat this condition alkalies are often Buckley's is no ordinary cough syrup. You don't have to wait days or weeks for results. You get the effect instantly.

First of all its formula is based on modern up-to-date medical fact findings. Next it contains rare balsams and essences to soften the phlegm and heal and soothe sore inflamed membranes. But most important of all it contains a powerful stimulating alkalizer and that is just why Buckley's has proven so effective for coughs, colds, bronchitis, asthma, grippe and whooping cough. Last but not least Buckley's goes three times a far as old-fashioned cough syrups yet costs only a little for a generous bottle. Buckley's is sold everywhere—and guaranteed.
