

Synopsis of Land Act

PRE-EMPTIONS
 VACANT, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation and improvement.
 Full information concerning Pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., Bureau of Provincial Information, Victoria, or any Government Agent.
 Records will be granted covering only land suitable for agricultural purposes within reasonable distance of road, school and marketing facilities and which is not timberland, i.e. carrying over 5,000 board feet per acre east of the Coast Range and 400 feet per acre west of that Range.
 Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division in which the land applied for is situated, on printed forms obtained from the Commissioner.
 Pre-emption must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Certificate can be received.
 Pre-emption carrying part time conditions of occupation are also granted.

PURCHASE OR LEASE
 Applications are received for purchase of vacant and unreserved Crown lands for agricultural purposes. Minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land, \$2.50 per acre. Further information is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."
 As a partial relief measure, reverted lands may be acquired by purchase in ten equal instalments with the first payment suspended for two years, provided taxes are paid when due and improvements are made during the first five years of not less than 10% of the appraised value.
 Mill factory or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.
 Unsurveyed areas, not exceeding 50 acres, may be leased for residential purposes for a term of years, provided taxes are paid when due and improvements are made during the first five years of not less than 10% of the appraised value.
 For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.
 Under the Grazing Act the Province is divided into grazing districts and the range administered under grazing regulations amended from time to time to meet varying conditions. Annual grazing permits are issued based on certain monthly rates per head of stock. Priority in grazing privileges is given to resident stock owners. Stock-owners may form associations for range management, and are partially free permits available for settlers, campers and travellers, up to ten head.

HIGH SCHOOL HOOP SERIES

Inter-Class Basketball Opens On Saturday With Great Competition

The Armory on Saturday morning was the scene of the opening of a series of King Edward High School inter-class games in which Grades 9 and 10 defeated Grades 11 and 12 by a score of 38 to 36. The seniors, led by Brown, Winslow and O'Neill, took the first lot of baskets but, soon after, Beynon had put Winslow out of commission and the juniors, led by Beynon and Eastman, put themselves into the lead which they held till the end of the half. The score at the end of the half was 20 to 18.

The seniors, starting the second half with renewed vigor and determination not to let the juniors get the best of them, forged ahead but the juniors, combining better, soon equalized. Now it was truly a battle-royal with 5 minutes to go and the score 30 all. Beynon's long shots, together with Eastman's and Lundquist's floor work, soon put the juniors ahead. Right to the finish it was a well fought game but the combination and checking, especially by Christian, was too much for their opponents and the game finished 38 to 36 in favor of the juniors. Eastman was the big gun for the juniors, obtaining 16 of their points. He was helped by Beynon with 10 and Lundquist with 8. For the seniors Brown and O'Neill secured together 28 of the 36 points.
