Best Wheat in World

The Peace River people still continue to raise the best wheat in the world. The Trelle farm is just like the farms of the neighbors only the owner takes the time to select his samples and properly stage his exhibits.

When the Prince Rupert delegates to the Canadian Chamber of Commerce toured the Peace a few years ago they drove through Wembley and passed between wheat fields just as they had been doing hour after hour in the course of their visit. The driver of the car remarked: "This is the Trelle farm on the left. It seems to be just about the same as the other farms of this district, no better, no worse. This wheat on the left is supposed to be the best wheat in the world but it is just the same wheat that everybody else grows around here."

In ordinary years the Peace River wheat is the best in the world and it grows in such quantities that the farmers there are able to make a living in spite of the difficulties of transportation. But they are becoming impatient. What they want is a western rail outlet so that they may get a more reasonable price for their product. They were promised this years ago and they are still hanging on hoping that the government of Canada will redeem the promise.

Of course there have been good reasons for the delay. The depression caused hundreds of schemes to be set aside and promises made in good faith in the days of prosperity could not be carried out. Now the change for the better has come but there are yet a good many thousands of men out of work. If the railway were built westward from the Peace the employment problem in the west would be solved and the farmers of the Peace would find a better market for their wheat.

VANCOUVER, Dec. 1. (CP)—Wheat was quoted at \$1.10% on the Vancouver market yesterday.

Former Cripple Now Plays Tennis

Rheumatism in Feet Relieved

Here is a story of a young man who had almost given up hope of taking part in active sports with his fellows again. He tells how he tried one remedy after another and how finally a former sufferer put him on the way to recovery.

"Two years ago I started with pains in the feet which gradually got worse. I tried everything under the sun but to no effect. Whilst waiting for treatment one evening, another patient advised me to try Kruschen Salts. That was twelve months ago, the relief was not sudden, but the pain and swelling gradually left my feet, and in six months I amazed my friends by taking long walks into the country. This year I have played a good deal of tennis, a thing which I had begun to think I should never do again."—C.W.

Rheumatic pain and swelling is frequently caused by excess uric acid accumulating in the body. Kruschen contains two ingredients which are notable for their work in dissolving uric acid deposits. Other ingredients in Kruschen assist the internal organs to expel this dissolved acid from the system.

RACE IS TIGHTER

Lambie and Stone Win Close Senior League Hoop Game—Ladies' League Improving

An improved Lambie and Stone squad last night tightened up the race for the first half Senior League hoop laurels when they eked out a 43-42 overtime victory over the Moose. These teams fought basket for basket the whole game and put up a smart exhibition of floor work and passing. Full time found the Clothiers and the Antlered herd neck and neck at 38-38 but it remained for the Lambie and Stone crew to come from behind in the overtime session and snatch the win through a long shot by Santeoane with only seconds to go.

Lambie and Stone—Calderoni 10, Arney 4, Santerbane 13, Johnson 5, Lindsay 6, Dominato 5; total, 43. Moose—Mitchell 6, Armstrong 13, Morrison 2, Wingham 6, Stiles 15; total, 42.

Ladies' League

The Ladies' League is improving with every game and last night's tussle between the High School and Annette's proved no exception. The Students had a slight margin in the run of play and in the dying moments of the game their forwards went to town to stave off a determined rally by Annette's and emerge victorious 13 to 9.

High School—Blaine 4, MacLeod 4, Ellison, Davis 1, Llewellyn 4, Robertson, Arney; total, 13. Annette's—P. Dickens, Brentzen, Morris 2, Wilson, Ratchford 5, E. Dickens 2; total, 9.

Intermediate League

The Intermediate Moose enjoyed a definitely "on" night when they turned back Ben's Newsies for a one-sided 29 to 17 win. The Lodge-men played a pretty combination game and their forward line clicked to perfection. The Newsies seemed lost and could not pierce the Moose defence. Husoy and Cromp snared 26 points between them while the "George" front line of Brown, Blake and Viereck was checked to a standstill.

Ben's—Brown 5, Viereck 2, Blake, McMeekin, Palmer 6, Suehiro 2, Bryant 2; total, 17. Moose—Cromp 14, Husoy 12, Eby 1, Greer 2, Hale, Erickson; total, 29.

Junior League

In the Junior League fixture the Scouts continued their way to the leadership of this section by virtue of a 29 to 17 victory over the High School. The first stanza of this game was fast and even. Following the breather, the Scouts put on the steam and out-scored the Students 19-8. Eastman garnered 13 tallies for the winners while Hirano for the High School collected 9.

Boy Scouts—Eastman 13, Montezano 4, Lindseth 3, Storrer, O'Neill 3, Grimble, Lundquist 6, Christian; total, 29.

High School—Hirano 9, Fitch, O'Neill 6, Yamanaka 2, Bolton, Wikdal, Knutson; total, 17.

Referees—Palmer, Johnson, McMeekin, Comadina. Scorer—J. Antonelli.

Butchers and McMeekin's in Dead-lock For Leadership of Commercial League

Prince Rupert Butchers and McMeekin's are now tied for first place in the standing of the Commercial Bowling League in the first block of the season with sixteen wins and eight losses each. The remaining game in this block will be played Thursday night between Gyro Club and Ballingers. Ballingers, now having fourteen wins and seven losses, will have to win all three games to finish ahead of McMeekin's and Prince Rupert Butchers but, by winning two, could tie.

In last night's scheduled play Biological Station beat Gyro Club two games to one and Ballinger's won over Prince Rupert Butchers by a similar margin. High average scorer of the evening was Johnny Comadina with 160.

KITKATLA MARRIAGE

Mrs. Flora Jackson and Mathew Hill are United at Pretty Ceremony

KITKATLA, Dec. 1.—A pretty wedding took place in the new St. Peter's Church at Kitkatla last week when Mrs. Flora Jackson and Mathew Hill, both of Kitkatla, were united in marriage by Rev. G. Goodread. The bride was dressed in pink and carried a beautiful bouquet of flowers. She was given in marriage by her father, Henry Watt, and was attended by Mrs. George Mason as matron of honor. Joseph Innes was groomsmen.

After the ceremony a reception was held in the village hall, the entire population of the village being in attendance. A delicious supper was served and the fiveter wedding cake was cut in due course by the bride. Later dancing was enjoyed with music by Chester Nelson's Orchestra.

One of the special features of the evening's proceedings was the presentation of a large eagle totem to Mr. Goodread, the pastor, signifying that he had become a member of the eagle tribe.

Another special voyage is to be made to Alaska by the steamer Princess Louise. The vessel leaves Vancouver Friday night and is due here Sunday morning enroute to Skagway. Southbound she will call here Thursday afternoon of next week.
