

FREE TRIP ROUND THE WORLD

We have just arranged with one of our clients to place forty-two lots on the market under exceptional advantages to the purchasers. The lots are some of the best in Sections 7 and 8. The prices are as low as any on the market, and the terms so easy—monthly—that anyone can buy. Along with this exceptional offer, each lot admits the purchaser to a drawing for a FREE TRIP ROUND THE WORLD. If you hold the lucky ticket the trip is yours; or you can surrender it for a cash consideration. The chances are good—one in forty-two. Come in and investigate.

CHILDREN OWN A STREET

Need for Proper Playgrounds in Chicago Has Occasioned Novel Move.

The city of Chicago has come to the rescue of children and has turned a street in the crowded Italian colony on the north side into a playground. Mayor Harrison closed Gault court to everything except the necessary traffic after a committee of settlement worker and playground secretaries had called on him. For the remainder of the summer and through the warm bright days of the autumn, all auto trucks, delivery wagons and speeding automobiles will be barred from Gault court and the street will be turned over to the children from 8 a.m. to 8 p.m. every day.

On these hours the only vehicles that will pass the policemen on guard at each end will be the delivery wagons with goods destined for homes along the street. Mayor Harrison was told that there are 2,670 children in the two precincts through which Gault court runs, and that late in the afternoon of July 7 there were 19 playing in the street in one block. Many accidents have resulted from the joint use of the street by the children and heavy traffic vehicles. It is the only place the "kids" have in which to play.

Applications will be received up to November 25th, 1911, by the Board of Directors of the Prince Rupert General Hospital Association from women wishing to take a full course of training in nursing.

SPORTS

Talking about champions and the purses they get, why should Ad Wolgast get \$22,000 and Matt Wells only \$10,000? Both are champions. Wells is champion of Great Britain and Wolgast of America, although he is credited with being the world's champion. However, a boxer must beat the world's best to become world's champion and Wolgast has never beaten Wells. There is nothing fair about the proposition and it hurts the game.

The candidacy of Allen T. Baum, as president of the Pacific Coast League, to succeed Thomas F. Graham, resigned, is endorsed by J. Cal Ewing, father of the league, who has just returned from the east. This means that Baum is practically certain to be head of the organization next year.

Bob Fitzsimmons was a journeyman blacksmith working hard for his daily bread at Timaru, New Zealand, when he entered Jim Mace's boxing competition in 1880. He defeated four men and won the middleweight amateur championship of that country. The following year he won the same competition and then decided to put up his hands as a means of livelihood.

It is said that the new four club lacrosse league for next season is an assured fact. The four teams will be:

Tecumseh of Toronto.
Torontos of Toronto, the present team.

Montreal of Montreal.
Nationals of Montreal.

The proposition is to have a triple schedule, giving each team nine home games.

The Toronto Street Railway Company will still control the Toronto franchise.

Will Billy Marchant, the English featherweight, accomplished what many boys from across the pond have failed at—wrestling the title from Abe Attell?

"Lightning Billy" as the Britisher is known at home, is said to be as clever as Jim Driscoll, the champion of Great Britain.

Marchant was picked by Will Ames, the London manager of boxers, to meet the best boys in America. Manager Ames has the greatest confidence in Marchant to win the championship of the world and for that reason wants to arrange a match with Abe Attell. Ames will go after the featherweights with the ultimate object of getting Attell. Already he has matches booked at New York and New Orleans.

Marchant has had many battles the past year and has won all of them, going pitted against some very clever English lads. If he is as good as Jim Driscoll, or anyway near as good, he will create a sensation, for there are few boxers living who compare with Driscoll.
