A CONTRACT FOR Better flavour!

"They have a delicious, distinctive flavour of their own." Quaker Corn Flakes are made from a special recipe that brings out all the full, rich flavour of sun-ripe corn.

"You'll love the fine crispy, crunchiness of the thin Quaker flakes." Quaker Corn Flakes are thinner and finer-never soggy or chewy in milk or cream.

Quaker Corn Flakes are guaranteed to be the best flavoured, most delicious corn flakes you ever tasted ... or your money back. They are the only corn flakes with this money-back guarantee printed on every package.

"They're better value too." Quaker Corn Flakes are the only ones that offer you a money-back guarantee of better flavour; wax-wrapping and triple-sealing; enrich-ment with health-giving vitamin "D";

and a valuable coupon in every package.

• FLAVOUR is the most important thing in foods. That's why so many people prefer Quaker Corn Flakes. If you've never tasted them, try them-our money-back contract guarantees them to be better flavoured.
