

FREE TRIP ROUND THE WORLD

We have just arranged with one of our clients to place forty-two lots on the market under exceptional advantages to the purchasers. The lots are some of the best in Sections 7 and 8. The prices are as low as any on the market, and the terms so easy—monthly—that anyone can buy. Along with this exceptional offer, each lot admits the purchaser to a drawing for a FREE TRIP ROUND THE WORLD. If you hold the lucky ticket the trip is yours; or you can surrender it for a cash consideration. The chances are good—one in forty-two. Come in and investigate.

HIDDEN GOLD

Danish Youngsters Found Valuable Treasure

Copenhagen, Nov. 19.—Two young people have found on a hill near here a highly valuable treasure including about 600 gold and silver pieces dating from the end of the tenth century. There are several Anglo-Saxon coins, and also gold and silver armlets, bowls, cups, jewels, etc., all of the highest interest and value, according to experts. They have been brought to the Historical Museum at Copenhagen.

A FATEFUL TREE

Planted at Frank Fitzpatrick's Birth, It Fell at the Moment of His Death.

Newark, N. J., Nov. 9.—A tree planted by his father on the day Frank Fitzpatrick was born, seventy-eight years ago, recently suffered a blight. Last evening Fitzpatrick reluctantly began chopping it down. As the tree crashed to the ground, Fitzpatrick staggered and fell. When picked up he was dead of heart disease.

Applications will be received up to November 25th, 1911, by the Board of Directors of the Prince Rupert General Hospital Association from women wishing to take a full course of training in nursing.

WOLVES IN HEART OF CITY

Driven by Snows from Hills, Ravenous Beasts Prowl Around Anaconda, Montana.

Anaconda, Nov. 9.—Driven from the hills by the deep snows and desperate hunger, bands of timber wolves are prowling on the outskirts of the city. A band of five wolves pursued a deer into the heart of the city early this morning, but were put to flight by a night watchman. The wolves apparently are taking shelter in the abandoned stables of the race track on the outskirts of the town.

BOTH TEN-MILERS

Father and Son Compete in a Ten Mile Race at Toronto on Thanksgiving Day.

The unique sight of father and son running in one road race was witnessed at the Toronto R. C. B. C. handicap 10-mile marathon on Thanksgiving Day. They were Sandy Begley, the well known distance runner, and his son, Sandy got 4 minutes start on George Black, the scratch man, while the boy's handicap was the limit of 16 minutes. The boy is only 12 years of age, and weighs only 75 pounds, but he is a game little galloper.

Both father and son were well up in the race.

No Instructions Necessary

Among the passengers booked for a coastwise trip of a steamer running from Prince Rupert to a Southern port were a timid-looking little man and his equally timid-looking little wife.

One of the first of the many questions put to the captain of the vessel by the little woman was this:

"Could you, sir, tell my husband what to do in case of an attack of seasickness? He is particularly liable to such attacks. What must he do?"

"It isn't necessary to tell him what to do, ma'am," said the old captain grimly. "He'll do it."

"STRUCK OIL" VERY RICHLY

Son of Eastern Editor Marries
Widow of a \$15,000,000 Standard Oil Magnate.

New York, Nov. 9.—Julius McVicker, son of a newspaper editor of Sarnia, Ont., has just married at "The Little Church Around the Corner," Mrs. Alanson Sumner, widow of the late Standard Oil magnate, who died a little over a year ago, leaving her a fortune estimated at \$15,000,000.

McVicker is an actor and singer of romantic parts in light comedy and musical shows. The marriage today was conducted in the presence of a brother and sister of the bride, her attorney, and a couple of actor friends of the groom. Mr. McVicker will not leave the stage, at least for the present.

A VOTE IN FORT WILLIAM

Local Option Will be Decided by the People in January

Fort William, Nov. 10.—The local option campaign in Fort William was formerly launched this afternoon, when temperance workers filed with the city clerk a petition with eleven hundred names of those in favor of a vote being taken on the question at the election in January. The liquor men are organized and will put up a stubborn fight.

VALUE OF AN INDUSTRY

Its Great Monetary Worth to the Community Where It is Located.

An interesting and accurate calculation has been made of what an industry employing 1,000 hands means to a community.

It increases the population by 5,000 consumers.

It adds \$90,000 to the value of public utilities.

The assessment is increased by \$600,000.

It pays out annually in salaries and wages \$559,800.

It represents through its buildings and the houses of its employees an investment of \$2,000,000.

The annual expenditure in food would be \$63,000 in meat, \$9,600 in potatoes, \$5,000 in sugar, \$18,250 in milk, \$65,700 in butter, and \$27,600 in eggs.

Summed up this means that an industry employing 1,000 hands is worth \$221,600 a year to the community.
