FOR GOOD HEALTH, DELICIOUS FLAVOUR,
..MORE NOURISHMENT, GREATER ECONOMY,

Eat Fish!

FISH is one of the best foods you can eat regularly. It is delicious... can be served in scores of ways... in delightful recipes. There are over sixty varieties of Canadian Fish and Shellfish available for dainty meal-time menus.

Fish provides good health and good nourishment. It is rich in proteins for energy and strength... in vitamin A for promoting appetite and digestion; and vitamin D, the sunshine vitamin so essential to children... in the mineral salts needed for physical well-being... and rich in iodine and other elements that contribute to general good health.

Make ANY DAY A FISH DAY. Serve fish often through the week... it makes a welcome, appetizing change. No other food gives you more value for your money... more nourishment for every cent expended... than Canadian Fish and Shellfish.

And remember... whatever your choice... fresh water fish, seafish, or shellfish... this healthful, nourishing, economical and delicious food is always available to you in prime condition, either fresh, frozen, smoked, canned, pickled, or dried.
