Stirring Address by Inspector Hall On "Immortal Memory" Last Night

The Burns Concert given by the Women's Auxiliary of the First Presbyterian Church last evening was one of the outstanding musical and literary events of the season The songs and airs of Scotland,

so admirably sung and played stirred the hearts of the audience as did the address of Inspector T W. Hall. The speaker, dispensing with any biography of the poet, treated the subject from the point of view of "Burns as a man." He said that the birthday of Burns was this night being commemorated in every community, not only from coast to coast in Canada and the United States, but in every country in the world where the English language is spoken, Burns was born in Scotland but he did not belong to Scotland alone, he belonged to the whole English speaking people. With apt quotations he showed Burns as a humorist, a patriot, a lover of nature noble and great but he never lost left-overs are:

"Green Grow the Rashes O' ." "Her prentice han' she tried on

man "And then she made the lasses O'. The musical part of the program in gravy or white sauce. was in keeping with the address and the excellent rendering of "Loch Lomond" by Mrs. J. H. Carson, "Caller Herrin" and "Comin" thro' the Rye' by Mrs. J. H. Mcleod, "The Star of Robbie Burns and "The Auld Scotch Sangs" by on toast. Dr. R. G. Large, "Lassie O' Mine" by the Misses Lawrence were cli maxed by the humorous dialogue Cameron and J. A. Teng.

The committee in charge consisted of Mrs. Robert Cameron, Mrs E. J. Smith and Mrs. D. C. Stuart Mrs. W. L. Sandison and Mrs. G. Steen presided at the door and Mrs. H. M. Foote and Mrs. Robert Cameron were ushers. The accompanist was Mrs. E. J. Smith an Dr. J. W. Stevenson was a very ef ficient chairman.

EVERY WOMAN FACES THIS QUESTION

How do I look to other people? So many women risk their beauty by neglect of constipation. It often causes loss of pep, sallow skins, dull eyes, poor complexions.

Yet common constipation can be ended so easily. Just eat two tablespoonfuls of Kellogg's ALL-BRAN with milk or fruits every day, three times daily in severe cases. This delicious ready-to-eat cereal supplies the "bulk" needed to exercise the system-and vitamin B to help tone up the intestinal tract.

Within the body, ALL-BRAN absorbs more than twice its weight in water, gently sponging out the intestines. It never causes the artificial action of pills and drugs, that often prove ineffective.

Kellogg's ALL-BRAN, you see, is a food-not a medicine. It relieves common constipation the way Nature intended-so its results are safe. Buy it at your grocer's. Made and "aranteed by Kellogg in London.
