THE SAFE, SENSIBLE WAY TO RELIEVE

Every one knows the dangers of constipation. Pills and drugs usually bring only temporary relief. That's because common constipa tion is due to meals low in "bulk. Kellogg's ALL-BRAN contains "bulk" that does not break down in the body as does that of many leafy vegetables. ALL-BRAN absorbs twice its weight in water and forms a

soft mass that gently sponges the intestines. Kellogg's ALL-BRAN is a foodnot a medicine. In addition to "bulk"-it gives vitamin B to tone up the system, and iron for the blood. It is a healthful way to get rid of constipation and all its evils.

Eat two tablespoonfuls daily milk or cream-three times a day in severe cases. Or use it in making bran muffins, breads, in salads or soups. Guaranteed by Kellogg in London.
