### The Letter Box

Editor, Daily News: am sure that most of us feel

sorry for China and would like to do something to help them in their trouble.

Well, there is one easy way in which we can all help to show our sympathy and I want to ask your readers, now that Christmas is approaching when we are all doing a lot of increased buying, to refuse resolutely to accept anything "Made in Japan."

Let them see that, if they want our trade, they have got to show respect for our ideas of decency and humanity. Every little helps.
