## BULLETINS

REFERRED TO VICTORIA A delegation representing the Prince Rupert General Hospital board waited on City Commissioner W. J. Alder yesterday afternoon with a request that the proposed money bylaw to provide funds for the construction of a new unit to the hospital be withdrawn. Mr. Alder's reply was that the orders had come from the government and it was not for him to withdraw it. He suggested that the board might submit its request to the government. The delegation consisted of G. P. Tinker, W. M. Brown and H. W. Birch.

TOOK HIS OWN LIFE VANCOUVER-The body of Andrew Halkett, retired Canadian Pacific Railway official, was found near an auto on Marine Drive Monday afternoon. Death had, apparently, resulted from a bullet wound in the right temple A revolver was in the right hand

TELEGRAPHERS' SITDOWN ST. LOUIS-A sitdown strike by employees in the main office of the Postal Telegraph and Cable Co. today tied up service in the St. Louis area.

REPORTS TO KING LONDON- Viscount Halifax Lord President of the Council was received in audience by the King today and reported to the sovereign on his talks at the end of last week in Germany with Chancellor Adolf Hitler and Who Caused Furore With other German leaders. Unusuai measures, it is understood, have been taken to maintain secrecy of Lord Halifax's report which will be considered tomorrow at a session of the cabinet. Some circles said that the report included what amounted to a questionairre from Hitler designed to sound out the British government on the Reich's desire for a free hand in Austria, her coloanial demands and repudiation of Germany's "war guilt."

> GIRL DEAD-PAIR HELD VANCOUVER - Miss Florence Colder, aged 22, is dead and a man and a woman are held for investigation in connection with what police believe to be a case of an illegal operation.

STOCK MART REVIVES NEW YORK - The New York No Word Yet Of Stock Market staged somewhat of a rally on Saturday. The industrial average was up 2.32 for the short day's trading, rails, up .99 and utilities up .94.
