First Day Of Spring is Fine

Cool Nights Follow Sunny Days-Seasonal Change is Pleasant

Prince Rupert had a cool night again after a fine sunny day for the commencement of spring. All about town gardeners were in evidence Sunday doing preparatory work on their grounds. The water attracted a few early season picnickers. Some of the tennis players were on the courts. Mount Oldfield drew about a dozen skiiers but the balmy spring-like weather of these days is rapidly diminishing interest in that essentially winter line of sport.
