of Union Says Whole Detroit Automotive Industry May Be Tied Up

ETROIT, March 22:-In protest alleged brutal treatment acorded the sitdown strikers in the ant of the Chrysler Motor Cororation, Homer Martin, chairman the Automotive Workers' Union, threatened Saturday night to call general strike which would tie every automobile manufacturing plant in Detroit.

Walter B. Chrysler, head of the settlement of the dispute until the stdowners have evacuated his plant. The six thousand workers. eantime, continue their occupaon in spite of court orders, challenging the authorities to evict

> Henry Ford stated that he would week his plants open as long as a ingle man would continue to work or him. He denied that he had said that he was prepared to close down for three years if necessary. Ignoring threats of city-wide automotive strike is raids on strikr-held plants continued, police ntered the plant of Thomas P. enry Printing Co. today and evicd strikers who had occupied the lace since March 11. The strikers errendered peacefully.

Spanish Government Claims To Be Making Big Advances, Capturing Many Towns

MADRID, March 22: (CP)—The government's northeastern army reported today that it had pressed an insurgent retreat into a rout, capturing town after town. In rapid advance on the insurgent stronghold of Siguenza, the main column of General Jose Miaja, commander of Madrid's armies, was reported to be approaching Almadrones, only twelve miles south of the insurgent base of operations at Siguenza after a twenty-eight mile advance from Guadalajara.
