COOK WITH ELECTRICITY

Which makes it both easy and cheap for you to have this and a hundred other tasty menus. You can plan the most original meals and give endless scope to your cooking skill with an electric range. Quick, even heat is always available at the snap of a switch; all the nourishing juices of meats and vegetables are retained. And besides, electricity is so cheap to cook with that a complete oven dinner for six people can be cooked for less than 3 cents. Let us tell you more about it and give you recipes
