How Many Pennies Your Child's Life?

Don't Try to "Save" on Home Remedies - Ask Your Doctor

There is one point, on which practically all doctors agree. That is: Don't give your child unknown remedies without asking your doctor first.

All mothers know this. But sometimes the instinct to save a few pennies by buying "something just as good" overcomes caution.

When it comes to the widely used children's remedy - "milk of magnesia" - many doctors for over half a century have said "PHILLIPS." For Phillips' Milk of Magnesia is the standard of the world. Safe for chil-

Keep this in mind, and say "PHIL-LIPS' MILK OF MAGNESIA" when you buy. Comes now, also in tablet form. Get the form you prefer. But see that what you get is labeled "Genuine Phillips' Milk of Magnesia." 25¢ for a big box of the tablets at drug stores.

DEAN CLEMENT IS HEARD AT HIGH SCHOOL

"It Matters When You Were Born" was the subject of an interesting and instructive address given before students of Grades 11 and 12 and the Commercial Class of King Edward High School on Thursday afternoon by Dean F. M. Clement, head of the Department of Agriculture of the University of British Columbia. Dean Clement referred to the different conditions prevailing today than twenty-five years ago. A quarter of a century ago there were new areas to which educational graduates could go. Today it was necessary for them to make their living in their own
