SPIRIT OF ARMISTICE HELPING HOSPITAL

Remembrance Day Brings Tributes To Memory of Ever-Mounting Roll of Nation's War Dead

OTTAWA, Nov. 25. (CP) — Although the Great War is receding into history and a generation to whom that conflict is only a memory of youth is assuming an increasing share in national activities Canada observes Armistice Day each year as a day of remembrance and consecration. Throughout the Dominion the people repair to cenotaph, church and monument, there to recapture the spirit of sacrifice and duty which inspired the 60,000 whose memories they seek to keep green.

Canada's war dead greatly exceed that figure, for men are dying in accelerated numbers in consequence of wounds and sickness incurred on active service. Reliable agencies cite a yearly toll of war veterans in the neighborhood of 3000. Advancing age has, in recent years, quickened the rate.

190,000 Casualties

Battle casualties in the Canadian forces numbered 190,092 from the declaration of war August 4, 1914, to Armistice Day, November 11, 1918. Of these 60,661 were killed in action, or died of wounds or sickness. The total represents nearly one-third of all who enlisted in the Canadian forces, in addition to Canadians who served in the United Kingdom and the allies.

A total of 647,635 Canadians served. This included Canadian Expeditionary Forces, 619,636; Royal Canadian Navy, 8,826; Royal Flying Corps (including cadets and mechanics) 18,852; Royal Military College graduates in other forces than Canadian, 371. In addition many Canadians served in other armies of the allies and of these there is no official trace.

Men from Canada's military forces, as distinct from those who saw service at sea, fought on eight major fronts. Their concentration was in France and Belgium; but many fought also in the Balkan Peninsula, in Palestine, North-West Persia and the Caucasus; Siberia; North Russia; Mesopotamia and Italy. Records are available of some who ranged as far afield as Russian Turkestan, Afghanistan, East Africa and the Kameruns.

Of those who became casualties as a result of war service, 79,222 are in receipt of pensions while 12,169 receive the war veterans allowance.

For those two items the compensation rate for the current year amounts to \$44,452,481, dividing a total of \$40,517,469 for pensions and \$3,935,012 for allowance.

By May or June they anticipate that it will be quite practicable for an ice breaker to pick them up.

Twenty-Five Years Ago

November 25, 1912

In the course of discussion of a bylaw regulating the hours of opening and closing of poolrooms, Mayor S. M. Newton, at last night's meeting of the city council, criticized some of the clergy of the city. The majority of the council supported the mayor in an amendment of the bylaw which was opposed by Ald. W. B. Clayton, Ald. Hamilton Douglas and Ald. John Dybhavn.

MEN WHO FEEL OLD

Get Back New Youth, Energy, Vitality

Too many men to-day feel tired out all the time—can't work, hate to get up mornings, haven't the vitality to do the things they used to do. A weak unhealthy liver caused by modern living, soft foods, lack of exercise, is the chief reason. Your liver is the storehouse for glucose or the "energy part" of the food you eat—it supplies energy to muscles, tissues and glands. If it is not strong and active the wonder you feel all day. Take "Fruit-A-Tives" it will build up your liver like nothing else will. You'll be surprised how young you soon feel. 25c., 50c., all Druggists.
