for a flight to Capetown.

"I regret more than I can tell you that the Sisters of St.

and doubt the most discouraging news that has been received in this city since I became commissioner. For over three and a half years I have striven to place the finances of this city in such a condition that capital investment might come in with confidence and the offer of the Sisters has been the first large capital investment to come to us with open hand.

"You will read in the Saturday LONDON, March 9: (CP)—Th. News and the Evening Empire Monday afternoon the report of the provincial deputy fire warden made over a year ago of the deplorable condition of the building in which we are treating our helpless patents. This report should have been published a year ago but it was considered by the board contrary to the best interests of the institution. I can assure you that the fire bell never rings that I do not think of the hospital and the patients position to remedy this situation but, when the Sisters of St. Ann made their splendid offer I felt that our troubles and our anxieties were over, never thinking that anyone would stir up such uncalled

"The Sisters are now running and also the ones at Smithers, Dawson, Campbell River, Kamloops and other places and they should have been welcomed with open arms by every citizen of

Prince Rupert. "The building of this hospital would have meant \$100,000 paid out in wages, commencing without de-
