### The Resurrection

People who refuse to believe in the resurrection are not gardeners. The gardener sees the plants grow, come to bloom, die down, hide beneath the snow in winter and in the spring shoot forth again and again come to flower. Other plants which seem to die in the fall, leave seeds which spring to life with the coming of the warm weather. Easter celebrates the ancient Goddess of Spring, the deity that had special care of the resurrection of the plants in the gardens and fields. This resurrection was symbolical of the resurrection of Jesus, the Christ, which Christians celebrate tomorrow.

## WELL KNOWN COUPLE WED

An interesting wedding took place at 7:30 Thursday evening at the deanery, Very Rev. James B. Gibson, dean of St. Andrew's Anglican Cathedral, officiating, when Miss Dorothy (Dolly) Dungate, second daughter of George Dungate and the late Mrs. Dungate, became the bride of Frederick Lawrence Wesch, eldest son of the late F. W. Wesch and Mrs. Wesch. It was a quiet ceremony in the presence of a few relatives and friends. Mrs. Fred Dingwell was matron of honor and Fred Cameron was groomsman. The bride was given in marriage by her father.

Later there e was a reception at the home of Mr. and Mrs. Fred Dingwell following which the happy couple sailed for Seattle and elsewhere in the south for a honeymoon trip. On their return here they will reside on Summit Avenue.

Both bride and groom are well known and popular and will have hearty congratulations of many friends.

T. W. Hall, inspector of schools, sailed Thursday night on the Prince George for Vancouver to attend the convention of the British Columbia Teachers' Federation. He will also pay a visit to Victoria.

## CHANGE OF PROGRAMS

**Double Bills to be Largely Eliminated at Capitol Theatre Starting Next Month**

Commencing next month, there will be a change of program policy at the Capitol Theatre here, it is announced by Manager D. G. Borland, whereby single bills will predominate. This policy will bring back the straight two hour show consisting of one feature picture and variety short subjects. Double billing of features however, will not be done away with entirely as they still appeal to some. Two or three double bill programs will, therefore, be shown each month. The new policy, Managare Borland believes will materially strengthen the entertainment value of all programs and give satisfaction to the various preferences.

The April bookings, announced as follows, show an exceptionally strong list of attractions:

March 31-April 1—George Arliss in "Man of Affairs."

April 2 and 3—Shirley Temple in "Dimples."

April 5 and 6—Grace Moore in "When You're in Love."

was close with Rupert having a slight edge in points. Then the locals started shooting and ran their lead to 26-11 at the rest period.

The second half was faster with Ocean Falls displaying some wonderful ball handling and trying desperately to catch up but the locals were playing championship ball and never did their opponents come within twelve points.

The locals showed nice combination throughout the game which was never in doubt. Rupert had an "on" night with all the boys in playing form and everybody snaring a few baskets in the scoring list. Although defeated by a 25 to 18 score by the Moose, the Scythians took the intermediate championship as they had previously won the opening game of the paly-off series by 16 points, thus taking the round 53 to 44.

The game was somewhat rugged in the first half which was close throughout, with both teams checking hard. The score was 9-6 for the Scythians at the breather.

The second half saw the Moose playing smoothly and soon pulling ahead while the Scythians were losing control of the game. Husoy and Lear were playing a fine game for the Antlered Herd, who came within four points of the championship when they led at 23 to 11 with 10 minutes to go. The Scythians fought hard to hold their opponents down and were lucky to come through with a couple of baskets in the dying moments of the game to cinch the cup.

**Ladies' League**

Annette's won the second half of the Ladies' League Thursday night when they defeated the High School quintette by a single point 16 to 15.

## PREMIER IS OPTIMISTIC

(Continued from Page 1)

lieved the young folks would derive much benefit from this.

The Premier mentioned that before leaving the south he had given instructions to proceed at once with the establishment of an ore sampling plant in Prince Rupert. The delay in getting started was that they had to secure information before going ahead. Representations had been made from this city and from Stewart against the establishing of this plant but the government felt it was a move in the right direction and they were going ahead with it.

**Unemployment**

Concluding, the speaker mentioned that the many public works would diminish unemployment almost to a point where the unemployed were only the unemployable. The attitude of the public in this matter of unemployment had changed of late years and he was in full accord with it. No longer were the unemployable expected to rustle for themselves or be a charge on their friends or relatives. It was recognized that it was the duty of the state to look after these people.
