Mr. Pattullo mentioned the new

portance of Returning Present Government to Office Is Stressed-Variety of Matters Dealt With By Prime Minister Before Big Meeting

There never was a time in the history of the province hen it was more important to return a government to ffice to carry on its work," declared Premier T. D. Patfullo in a fighting campaign address before a large home wn audience in the Moose Hall Saturday night. "I would! ree you to take no chances at this time." Referring to present negotiations with Ottawa for better terms for itish Columbia, Mr. Pattullo declared that the authori-!

in the east knew with whom were dealing in British Cobia and had confidence. "We ve important business half way rough. Do you think it would n reasonable to make a change Do you think those who ht replace us would be able to ry on as effectively?"

he Premier was in fine fighting le. There was some heckling at es as the Prime Minister drove a rapid fire of decisive stateets, evidently caring little where chips flew. However, the Prer is well known as a seasoned paigner and he thrives upon disturbances of feeble and inerienced interrupters. They are game and he is far more effecwhen faced by a few of them an when his listeners are enely responsive. That is where the remier shines. He always turns terruptions to his own advange as those who endeavored to mbarrass him Saturday night

P. McCaffery was chairman ling Workmen's Compensation he meeting. At the opening, he ressed the opinion that it would funds. This was without foundation but good business and logic to in fact or substance and was toelect Mr. Pattullo, particularly tally misleading. government to office to carry on were taken up: its work.

half way through. Is it reasonable to make a change now?

Plans for the federal building in Prince Rupert are being drafted and within two months tenders will be called.

Positive instructions have been given to proceed with the ore sampling plant in Prince Rupert at once.

I want to know all the implications before making a decision in regard to collective bargaining. If it means a One Big Union in control of a handful of men, I am opposed to it.

The record of the Liberal governments over a period of years shows that we have not only talked but acted for the benefit of the average man.

hospitals cannot be provided without increasing the public debt.

The Liberal government proposes further relief to the municipalities on a sound basis involving the lessening of the tax burden on land.

ever was before.

All reports have been given to the public in full. We have nothing to hide; nothing to apologize for (in regard to Hedley Amalgamated).

Collection marketing, effected by this government, has resulted in improved prices for halibut.

Our education curriculum is unexcelled on this continent and the basis of taxation is more egutable.

ahead with. C. F. and they won't be given the | notify the board accordingly. chance to.

The Liberal party is the only organization efficiently equipped to serve governmentally at the present time. It has a record of achievement, definite and propressive plans for the future and knowledge, experience and determination to put these plans into effect.

British Columbia is now selling its bonds at the best price in the history of the province.

This government should be returned on its record alone.

The government is determined to be of assistance to the Prince Rupert pulp mill undertaking.

Those who want to stick in the (Continued from page 2)

## INTERVIEW

Trades and Labor Council Delegation in Session With Premier

To place before him several matters concerning the workers in general, and Prince Rupert in I particular, a delegation from the Points by Pattullo Prince Rupert Trades and Labor Council consisting of T. B. Black, T. Elliott, J. J. Gillis, Never was there a time in the and G. Anderson interviewed Prehistory of the province when it | mier Pattullo on Saturday afterwas more important to return a noon and the following requests

A Trades Union Bill giving the workers the right to collective We have important business | bargaining and the right to join a trades union of their own choice.

> A Better Housing Act. More relief allowance for the unemployed and more coverage be given the married unemployed. A basic minimum rate for common labor of 50c per hour.

Enforcement of the fire department's Hours of Work Act. giving firemen two full days off in each week instead of having to work 12 hours per day week in and week out.

The last mentioned request was adjusted immediately and other requests will receive considera-

### Trades and Labor Council Session

Roads, bridges, schools and Extra Gang Pay, Health Insurance and Minimum Wages In Construction Industry Discussed

Matters of considerable importance were taken up at the last regular meeting of the Prince Rupert Trades & Labor Council. Correspondence was received The public works department | from the general secretary with of this province was never better respect to the extra gangs workconducted than it is today. There | ing on the railways for the sum is less partizanship than there of 25c per hour. The communication was to the effect that these, men do not come under the maintenance of way agreement and; are not subject to the 25c rate of pay which applies to maintenance of way men for the first six months. Advice was given that uch extra gang men should negotiate for a scale before going out on the job.

Act, the council again took the of the waterfront of Hong Kong stand that this Act should be today, killing perhaps seventy i given all support and instructs jits membership to vote "yes" in the plebiscite.
