CONSTIPATION CUTS DOWN YOUR ENERGY, DULLS HAPPINESS

> Don't let common constipation take all the fun out of living. This condition drains your vitality and en-thusiasm. It may also be the cause of dull headaches, poor appetite, sleeplessness. You feel punk.

> Why endure half-sick days when you can correct constipation due to meals low in "bulk" by eating a delicious cereal?

> Millions of people have used Kellogg's ALL-BRAN with satisfactory results. Laboratory tests prove it's safe and effective.

> Within the body, ALL-BRAN absorbs twice its weight in water and gently cleanses the intestines. Isn't this food better than taking weakening pills and drugs?

Eat two tablespoonfuls daily. Three times daily, in severe cases. Serve as a cereal with milk or cream or in recipes. Sold by all grocers. Made and guaranteed by Kellogg in London.
