nother Grave Turn in Sino-Japanese Crisis is Anticipated

No Statement By Secretary Hull

to Disclose Nature Of Consultations over Far East Matters

WASHINGTON, D.C., July 15: Secretary of State Cordell Hulli confirmed yesterday that he had communication from government which believed to contain suggesdesirability of interconsultation concerning the Far Eastern situation. He declined, however, to disclose the reply was made by the United! . Macchione's appeal. States, President Roosevelt was represented today as being so concerned over the Far East situation that he was remaining in the Capital for conferences with foreign experts.

Capt. Eden also has communicated with France on the Far East situation.

Meantime, dispatches from the Far East indicated that heaviest fighting so far in the long and intermittent hostilities was conin the neighborhood of China's ancient dragon capital of following collapse of peace negotiations.

Situation Serious

TOKYO, July 15: (CP) roops will be despatched to North China from the Japanece it was announced toay, because of the serious situation there. This announcement came shortly after General Sugi Minister of War, warned prefectural governors that the crisis caused by a week of skirnishing between Chinese and Japanese troops may take a grave! turn at any moment.

Meantime an agreement be ween local Chinese and Japanese athorities at Tientsin for sett! g the crisis was reported but e central Chinese government ould not recognize the local
