

J. D. Galloway, managing director of the Reward Mining, arrived in the city on the Prince George this afternoon proceeding later in the day aboard the power vessel Scrub to visit the company's Surf Point and Eddy Pass properties on Porcher Island. A party of men was also taken out to work there.

Coronation Day, May 12, will be a holiday for school children throughout the Empire.

WAKE UP YOUR LIVER BILE—

And You'll Jump Out of Bed in the Morning Rarin' to go

The liver should pour out two pounds of bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest, your stomach gets constipated, harmful poisons go into the body, and you feel sour, sick and the world looks pink. A mere bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless and gentle, they make the bile flow freely. They do the work of calomel but have no calomel or mercury in them. Ask for Carter's Little Liver Pills by name! Substantially relieve anything else. 25c.

THEY BELIEVE THE BEAR

BRANTFORD, Ont., Feb. 17: (CP)—Not because a groundhog said so, but Bill Campbell's pet bear, "Teddy" saw his shadow on Candlemas Day. Brantford folks expect six weeks of "hard winter." "Teddy" blinked in bright sunlight, yawned, refused to eat and went back to his den for another sleep.

The Crown actually used in the Coronation is the Imperial or St. Edward's Crown, which is supposed to resemble the one worn by Edward the Confessor. It is of gold and was made for Charles II
