HOW TO— *Win Friends* AND *Influence People*

By Dale Carnegie . . . Author of the famous book of this name...

"Of all the sure-fire devices ever invented for destroying love and breaking up a home, nagging is the most deadly.

"An authority on Domestic Relations says that one of the chief reasons why men leave home is because they won't tolerate nagging wives."

"Yes, and many a wife has been driven to desperation by a carping, fault-finding husband.

"Probably, more promising marriages have been wrecked, more homes broken up, by nagging partners than by any other one cause."

"If you are prone to nag, don't try to justify yourself by saying that you have cause. Perhaps you have. But that is not the point.

"The point is that nagging *never accomplishes anything you want.* Invariably, it only makes a bad matter worse."

"Husbands and wives are human beings—prone to faults and shortcomings. Yet, by adjusting themselves to each other's personalities, lasting happiness is possible.

"Later in this series, I will tell you how these adjustments can sometimes be made. But remember, nagging is worse than useless, *always.* Avoid it as you would avoid a snake.'

HAVE YOU SMOKED A TURRET LATELY?

IF every nagging wife, and every fault-finding husband would make it a point to "cool off" by smoking a Turret in silence, before saying a single word, many a home might be a pleasanter place in which to live. Turrets are so soothing because they are made from an original and unique blend of fine Virginia tobaccos. Even the package is better—it has a handy calendar on the back to keep you up to date. If you haven't smoked a Turret lately, try a package today.

From the Waterfront

The British motorship Moorby, with a cargo of 8382 tons of wheat loaded from the local elevator, sailed Christmas morning for the United Kingdom or Continent. There was no definite word up to this morning of the approach of the Swedish steamer Olof Berg which was originally reported due today to load a full cargo for the United Kingdom or Continent.

Owing to a heavy blizzard which held her all Saturday night at Hardy Bay on the north end of Vancouver Island, Union steamer Catala, Capt. John Muir, did not arrive until 5:15 Monday morning from the south, sailing two hours later for Stewart, Anyox and other northern points. The vessel, which had a light northbound passenger list, is due back here at 8 o'clock this evening southbound.

Union steamer Cardena, Capt. John Boden, delayed by having made her monthly call at Kitimaat on the way north, arrived in port at 7 o'clock Christmas morning from the south and sailed at 11 a.m. on her return to Vancouver and waypoints.
