

FREE TRIP ROUND THE WORLD

We have just arranged with one of our clients to place forty-two lots on the market under exceptional advantages to the purchasers. The lots are some of the best in Sections 7 and 8. The prices are as low as any on the market, and the terms so easy—monthly—that anyone can buy. Along with this exceptional offer, each lot admits the purchaser to a drawing for a FREE TRIP ROUND THE WORLD. If you hold the lucky ticket the trip is yours; or you can surrender it for a cash consideration. The chances are good—one in forty-two. Come in and investigate.

SALE OF WORK WAS A SUCCESS

The Presbyterian Church Ladies Aid sale of work was held last night in the church hall. Sweetmeats, cakes, dainty fancy work, etc., formed the bulk of the wares exposed. Both branches of the Ladies Aid united to carry out the sale. Rev. F. W. Kerr with effective persuasiveness helped along the sale. Very pretty was the Bethany Girls' stall, decorated in white and gold, and the musical programme with song, recitation, and instrumental music was delightful. In spite of inclement weather a large number attended and enjoyed the sale.

Gift Goods

The genuineness of values in gold jewelry, cut glass, sterling silver and dozens of kindred lines all in direct keeping with the Christmas spirit, are being displayed at Wark's Jewellery store on Third Ave.

Those who are buying early to send to friends in Eastern Canada or to the old land are delighted with the assortment and values which are so extremely reasonable. They possess a distinctiveness not found elsewhere at popular prices.

This firm are also selling cut flowers. These are obtained from the largest grower on the coast. Deliveries on Wednesdays.

New School Magazine

The children in the higher classes have received copies of the new school magazine, which will be published monthly by the B. C. department of education. Capt. Clive Phillips-Wooley who wrote "A Tenderfoot's Wooing" which appeared recently in the Daily News, is the editor.

NEW HOUSE BLOWN DOWN

In the height of the gale last night, a new house being built for Messrs. Blyth Brothers was thrown down by the force of the wind, the framing being laid flat. No one was anywhere near at the time to run any risk of injury, and the structure can be speedily re-erected. Had construction been a little further advanced the building would have stood alright.

Applications will be received up to November 25th, 1911, by the Board of Directors of the Prince Rupert General Hospital Association from women wishing to take a full course of training in nursing. 12c
