CHEST COLDS

Relieve Their Misery This Proved Way

WHEN there's a cold to treat—
especially if it's a chest cold—
that's no time to experiment. Relieve the misery with the treatment that has been doubly proved for you. Here's What To Do: It's best to stay in bed and get lots of rest. Eat lightly, drink plenty of water, and keep elimination regular. And use

everyday use in more homes than any other medication of its kindfurther proved by the largest clinical tests ever made on colds. (Full details in every VapoRub package.) Only Vicks give you proof like this.

upsets. Just massage it on throat, on working.

chest, and back. Then—to make its long-continued double action last even longerlayer on the chest and cover with a

No Long Waiting for Relief to Begin ... Almost before you finish rubbing, you begin to feel warm and comfortable as VapoRub goes to work direct through the skin like a weep elimination regular. And use your dependable Vicks VapoRub cated vapors, released by the VapoRub has been proved by direct to the irritated air-passages

with every breath. This double action loosens phlegm -relieves irritation and coughing -helps break local congestion. And
