YEARS WITH CONSTIPATION"

"For six years I suffered with constipation, and I decided to try ALL-BRAN. I have been eating it once a day for about four years, and it has certainly done the work." -Mrs. Herman Futrell (address on request).

Tests prove that Kellogg's ALL-BRAN is safe and effective for correcting common constipation.

Within the body, ALL-BRAN absorbs twice its weight in water, and gently exercises and cleanses the intestines. It also furnishes vitamin B to tone the intestines, and iron for the blood.

Just eat two tablespoonfuls daily, either as a cereal with milk or cream, or in cooked dishes. Three times daily in severe cases. You'll find this food far better than habitforming pills and drugs. ALL-BRAN is sold by all grocers. Made by

Dr. Kergin told of the handling of the vast crowds which thronged the streets like "sardines in a box." It was all most impressive.

The speaker told how he and his party had viewed the great procession from Constitution Hill. It had twelve and one-half mills on been necessary for them to be in their seats at 7 a.m. although the parade did not pass until 3 p.m.
