STOP SENDING MATERIAL

Editor, Daily News:

I would like to bring before the notice of your readers why we all should boycott Japanese goods. The Bureau of Statistics has issued figures of war material sent from Canada to Japan in the first nine months of this year. Here are the figures:

Aluminum, $1,855,870.
Copper, $381,216.
Lead, $3,925,739.
Nickel, $2,889,687.
Zinc, $871,322.

All these materials were used against the Chinese. The Communist party of Prince Rupert appeals to all organizations to boycott Japanese goods and to send a protest to Premier King to stop the shipping of these war materials to Japan.

Communist Party,
Prince Rupert.

John Muir is now in command of the Catala, relieving Capt. James Findlay who is ashore at Vancouver on his annual vacation.

John Freidham and Jack McRae returned to port Saturday after a two week's trip to Queen Charlotte Island points on the former's trolling boat Victory They encountered a lot of bad weather which held them up considerably.

With a capacity list of passengers, made the larger through the recent interruption of regular service by Seattle boats to Alaska, C. P. R. steamer Princess Norah is due in port at 3:45 this afternoon from Skagway and other Alaska points and will sail at 5:30 p.m. for Vancouver.
