### Unemployment

Unemployment is the outstanding problem of the gen-governments been in teaching us a eration, says Donald M. Marvin, economist for the Royal new mode of living that we, the Bank. In Canada, although it is still serious, there is ex- present generation, can't prepare cellent basis for the belief that within a relatively short fathers. Alas! We have also re- until the end of the season. time any abnormal volume of unemployment will disap-cently learned that depressions pear. In many countries, however, where large scale gov- (too) come with the luxuries of ernment works, huge expenditures upon armaments, eivilization. Now how are we going large armies and various types of concentration camps to live on four dollars per month, serve to disguise the importance of the problem, many seriously question whether the economic system will ever! absorb a satisfactory proportion of those who are able to by the special joint committee that work.

For this situation there are a number of explanations ted to take care of the Indian desranging from the Marxist doctrine, through various titutes. Yet the Indian Agents deny Maxham, St. Mary's College fullstatements concerning tecnological advances in industry, structions. ### The Letter Box

TREATMENT OF INDIANS

Editor, Daily News:-Lend me your ears. I'll return them when the depression is over. Why are so many losing faith in the various governments of our fair country? The following are; some of the reasons: When an Indian proves that he hasn't got a cent, and if he is married, he will receive from four to nine dollars Prince Rupert badminton players Knockouts, Rangers, Blue Birds per month in relief, but if he or are planning an excursion to she is single, relief cannot be gran- Stewart and Premier in the near ted.
