Chinese Soldiers Alleged to Have Attacked Japanese-Tokyo Thinks it Serious

TOKYO, July 8:-The Japanese government was inclined to look is seeking British help. He degravely last night upon a reported sires to maintain his country's clash of Chinese and Japanese independence, he says. troops just south of Peiping. The fighting was continuing at midnight, it was reported. The Chinese, it is stated here, attacked the Ja-IIIIII panese and a considerable number were killed. An immediate apology will be demanded by Japan.

Japanese reinforcements have been ordered north of Peiping. Members of American Family The Chinese are defying the Lose Lives When Auto Plunge-

NO NEW PROPOSALS LONDON, July 8: - British Foreign Secretary Anthony Eden stated yesterday that his government had no intention of offering any new proposal as an alternative to non-intervention at the conference of the 27 non-intervention nations called for tomorrow to consider the Spanish civil war situation.

Fearing political character of Italy's assistance in the Spanish war, General Francisco Franco, insurgent commander-in-chief,

A new type of raft, especially constructed for landing passengers from Empire flying boats, is being tested by Imperial Airways at their landing base at Southampton, England. The flying boat shown above at one of the new lan ling rafts is the type which will be used by Imperial Airways for the trans-Atlantic air service to begin soon. The huge flying boats are expected to have a landing base in Eastern Canada and the rafts may be used at the base.
