St. Andrew's Day Scottish Dance

Enjoyable Affair by L.O.B.A. in Oddfellows' Hall Last Night

As an observance of St. Andrew's Day, the Ladies' Orange Benevolent Association held an enjoyable Scotish dance last night in the Oddfellows' Hall. There was a fair-sized crowd in attendence and all had a very happy time dancing to the strains of Scottish music furnished by John Bremner's Orchestra. During the evening there was a Grand March for which Piper Sam Leslie played. James Hadden was master of ceremonies. At midnight, delicious refreshments were served.

The committee in charge consisted of Mrs. Vic Menzie, Mrs. Henry Smith, Mrs. William Richards, Mrs. F. Barber, Mrs. Hugh Killin and Mrs. Alex McDonald.

Miss Lillian Davies was winner of the raffle of a set of pillow cases.

"CHILDREN'S HOUR" IN ENGLAND'S ANTI-GAS CLASSES

One of the most important phases of Great Britain's war preparedness program is the instruction of children in the use of gas masks which will be issued by the government to each and every Briton. Some children are too small for the regulation mask and experiments now are underway to devise a special respirator for babies. However, the youngsters shown here, going through a drill at Hawkhurst, are wearing the regular mask.

COULD HARDLY CLOSE HANDS

Had Rheumatism and Neuritis

"I suffered severely from Rheumatism and Neuritis," writes Mr. W. J. Tracy of Toronto. "I could hardly walk upstairs or close my hands. After taking Fruitatives four days the swelling left my hands and knees. I could climb stairs and ladder. I advise any person suffering as I did to take Fruit-a-tives. They give quick relief." Try this real fruit juice, herb and tonic prescription of a famous Canadian doctor. If you suffer, they might clear up your case too. 25c. and 50c. No substitute. At druggists.
