Canadian Defences

The C. C. F. members in the Canadian House of Commons have decided to oppose the government policy of defence. This means that they believe in peace at any byterian Church in Canada is an broke through their opponents' de- McMeekin price. If an enemy attacks Canada they would allow them important forward movement and, fence to sceore at will. Halftime! Hibbard to loot our coast towns, enforce settlement by their na- to take a leading part in this work, score was 10 to 5 for the Scouts. Armstrong tionals, take over the administration of affairs and make the congregation has granted Rev. Boy Scouts— Montesano (10), McLeod Canada a colony of some alien race.

That policy may be all right for the C. C. F. but British The congregation felt that it total, 24. people in this country will not agree with them and will had been very fortunate in secursupport Premier Mackenzie King, Mr. Bennett or any ing as minister Rev. Dr. J. W. Ste- ver, Dalzell, A. MacDonald (1). other leader who will place the country in a position where venson, who has an exceptionally Ritchie (1), Geary (2); total, 8. it can defend itself against attacks.

It is a curious fact that the same people who believe and minister. With continued loyal elli, and reporter Mike Montesano. Rupert Butchers Russia is right in defending herself against possible at- and active support the church tack are the people who believe Canada should take no looks forward with steadfast faith steps to defend herself.

The Canadian people will easily see through these tac- all those who had assisted in any Lambie & Stone tics. The Communists in this country are openly in favor way in church work, to the pastor of using violence against the constituted authority in or- and to the auditor, and to the lader to obtain the administration and force on Canada a work generally as well as for the dictatorship of a few people who are opposed to our pre- preparation and serving of tea and sent liberty. The C. C. F. do not propose to use violence un- refreshments at the close of the less it becomes necessary. These sort of people are natur- meeting. ally opposed to defences or the establishment of armed forces in the country so that they may the more easily, if thought necessary, force out of power any party or group opposed to their theories. It is to their interests to keep! the country undefended.

We are glad the C. C. F. has shown its hand in this matter so that the people of Canada may realize the position and be prepared. For ourselves we are strongly in favor of a policy of defence and we hope the government will " continue its present policy and so improve the defences They arrived Sunday and were of the country that no enemy would consider the possi-prevented from leaving Monday on bility of attacking us.

The price of peace is a strong defence.
