Local People At Surf Pt. Dance

Enjoyable Affair Held Saturday Night at Forcher Island Mining Community

Some sixty local young people made a trip over the week-end to Surf Point where an enjoyable dance was held Saturday night in the Community Hall with music by the visiting Four Aces Orchestra. The local people went out on the power boats Vera S. Frye, C. R. C., Silene, Doramor and Harla. George Walsh was master of ceremonies and Mrs. William Rand was in charge of refreshments.

BLACKHEADS

Blackheads go quickly by a simple method that just dissolves them. Get two ounces of peroxide powder from your druggist, rub this with a hot, wet cloth gently over the blackheads—and you will wonder where they have gone. Have a Hollywood complexion.

Blinding Headaches Made Her Helpless

Forced to Lie Down For Hours At A Time

Other sufferers from headaches will be interested to read this letter:

"Until last summer I was subject to very bad headaches. While they lasted I seemed to lose my sight and all power in my hands, and was forced to lie down for hours at a time. My aunt (who has taken Kruschen Salts for 12 years with beneficial results) suggested my trying them. I did so, and I've not had any return of those headaches for months, in fact I feel quite better. I shall always take Kruschen regularly in future."—(Mrs.) M.W. Headaches can frequently be traced to a disordered stomach, and to the unsuspected retention in the system of stagnating waste material which poisons the blood. The numerous salts in Kruschen assist in the complete elimination of waste matter, resulting in a purer blood-stream, and thus helping to bring relief from headaches.
