

# FREE TRIP ROUND THE WORLD

We have just arranged with one of our clients to place forty-two lots on the market under exceptional advantages to the purchasers. The lots are some of the best in Sections 7 and 8. The prices are as low as any on the market, and the terms so easy—monthly—that anyone can buy. Along with this exceptional offer, each lot admits the purchaser to a drawing for a FREE TRIP ROUND THE WORLD. If you hold the lucky ticket the trip is yours; or you can surrender it for a cash consideration. The chances are good—one in forty-two. Come in and investigate.

## Admiral Schley's Own Story

A man died the other day, and with his death passed America's most popular naval hero—popular because championed by the people, though officially denied the full fruits of his long and brilliant service. This man was Admiral Schley, hero of Santiago, one of the great sea-fighters of history. Shortly before his death Admiral Schley completed for Cosmopolitan a series of articles giving his personal recollections of his forty-five years in the navy. He was not anxious to do this for there was at least one old story that an autobiography must reopen. But we urged upon him the fact that nearly four million readers would see each instalment of his story, and most of these readers believed, with Admiral Dewey, that the men who stood on the deck of the Brooklyn that July Sunday in '98 was entitled to the glory of that great victory. So he consented. Not in the cut and dried way, but unlocking his secret soul as he had never done before. The first instalment of the autobiography, the life story of a man worth while in the nation's history, appears in the Christmas number. Subscription to Cosmopolitan will be accepted until December 10th at the special low rate to Canada of \$1.50. Cosmopolitan Agency, Box 851 Winnipeg.

## Two Waterfront Questions.

There are two questions being asked around the waterfront. One is, "Was the Commodore afraid to put to sea when he jettisoned the cargo of the snuff yacht abreast of the Marine Station early in the week?" The other is, "Who is the hunter who shot the tame eagle at Digby Island?"

Do these names mean anything to you? Do you understand their towering significance in the field of literature and art? Have you ever in all your life seen so many names of such eminence grouped together as contributors to one magazine? Such a group would make it a publication beyond price, and that is exactly what we are calling your attention to this moment. A magazine whose staff of contributors for 1912 contains all these names. The product of either of the above writers is easily worth the subscription price of \$1.50.

Cosmopolitan has endeavored in the past to give its readers four-fold in return for the subscription price. This policy has increased its circulation until it has outstripped every other American magazine, making it necessary to publish 800,000 copies of the Christmas number. It is our earnest desire to extend immediately the circulation past the million mark, with this end in view we will, until December 10th, accept subscriptions to Canada at the rate of \$1.50.
